Work Zone Safety
A 45 mph speed limit is in effect 24/7 in all construction zones, whether or not workers are present. Drivers should continue to watch for changing traffic patterns, milled surfaces, uneven pavement levels and traffic shifts at bridges and use caution at all times. Illinois State Police have zero tolerance for drivers speeding in work zones. The minimum penalty for speeding in a work zone is $375. Posted signs advise drivers of a $10,000 fine and 14-year jail sentence for hitting a roadway worker.
