Learn the ABCs of the Spring Cleaning Program

Have you, a family member, or a friend received toll violations? Toll violators who have an outstanding balance and have received toll violation notices prior to June 30, 2009, are eligible for the Toll Violations Spring Cleaning Program.

The Program provides a limited-time opportunity to:

- Avoid paying additional \$50 fines*
- Bypass driver's license or plate suspensions
- Clean up your violations

If you have outstanding violations, you can take advantage of the added time offered by the Toll Violations Spring Cleaning Program to make payments that will waive the additional \$50 fines. You must make all payments by June 30, 2009, to receive program benefits.

*Based on full payment of the original toll, \$20 fine(s) and any associated fees

Why Offer the Toll Violation Spring Cleaning Program?

More than 80 percent of Illinois Tollway drivers use I-PASS for daily travel. Most of these customers have accounts in good standing.

The Toll Violations Spring Cleaning Program will collect unpaid tolls and fines from drivers who use the Tollway, but do not pay their fair share for roadway repairs, construction, and safety. Holding drivers accountable for unpaid tolls balances the scales on behalf of the more than 94 percent of Tollway users who pay their fair share.
