Re: Illinois Freedom of Information Act Request  
Dear F.of I. Officer:

This is a request for information under the Illinois Freedom of Information Act, 5 ILCS 140. I request that a copy of documents containing the following information be provided to me:

· Plats of Highway, strip maps and/or other land survey documentation containing current right-of-way dedications, descriptions, depictions and boundary monumentation information for I-90 from its intersection with Higgins Road easterly to its intersection with Randall Road, in Kane County, Illinois.

I would like to obtain copies of these records. Paper copies are not necessary if it is possible to provide these records on digital media (e.g. a CD-ROM) in a standardized format (e.g. .pdf, .tif, .jpg).

I understand that the Act permits a public body to charge a reasonable copying fee not to exceed the actual cost of reproduction and not including the costs of any search or review of the records. 5 ILCS 140/6. I am willing to pay fees for this request up to a maximum of \$50. If you estimate that the fees will exceed this limit, please inform me first. I believe the records requested are in the possession of the Toll Authority and not in the possession of contractors. If this is incorrect please contact me regarding the cost of searching for and copying documents off-site.

I look forward to hearing from you in writing within seven working days, as required by the Act. 5 ILCS 140(3).

Sincerely,  
John Hinkle
