How to do Business with the Tollway – Goods and Services

Jennifer Soldat
Contracts Manager
Illinois Tollway Procurement

PROCUREMENT – GOODS AND SERVICES

380+ contracts valued at more than \$1 billion

Joint Committee on Administrative Rules (JCAR)

Under JCAR, non-construction supplies and services are procured:

- **“Goods”** – Commodities such as rock salt, roadway materials, vehicles, office supplies and software licenses
- **“Services”** – Include procurements for temporary staffing services, IT consulting services and repair services

Procurement Approaches

- **Invitation for Bid (IFB)** – Awarded to lowest responsible and responsive bidder
- **Request for Proposal (RFP)** – Awarded to vendor that provides the overall best value and includes technical criteria in addition to price
- **Small Purchase – Request for Quote (RFQ)** – Procurements less than small purchase threshold (\$100,000)

SMALL BUSINESS SET-ASIDE PROGRAM

How does the program work?

- Over 600 product and service categories at any dollar amount (CPO Notice #2024.10)
- Procurements less than small purchase threshold (currently \$100,000) – most products or services qualify

What is a “Small Business”?

- One that is independently owned and operated, headquartered in Illinois, and meets the required size status and the following sales limitations:
 - No WHOLESALE business can exceed \$13 million in annual sales
 - No RETAIL business can exceed \$8 million in annual sales and receipts
 - No CONSTRUCTION business can exceed \$14 million in annual sales and receipts
 - No MANUFACTURING business can employ more than 250 persons

Firms are listed in the small business database on the Illinois Procurement Gateway (IPG)

- Annual registration in IPG along with submittal of the company’s annual report is required.

ILLINOIS PROCUREMENT GATEWAY (IPG)

The Illinois Procurement Gateway (IPG) is the centralized repository for IPG Active Registered Vendor Disclosure forms (formerly known as Forms B).

- Registration must occur on a yearly basis.
- Vendor must have an approved registration at the time of bid if they submit the IPG Active Registered Vendor Disclosure forms.
- Registration interfaces to BidBuy registration. Vendors can go to BidBuy and complete their registration once they are registered with the IPG.
- The website can be found at: <https://ipg.Illinois.gov>
- Login is required for detailed information; however, without logging in, one can still see some items like small business registrations.
- More information will be provided on the June 17, 2024, session of Building for Success.

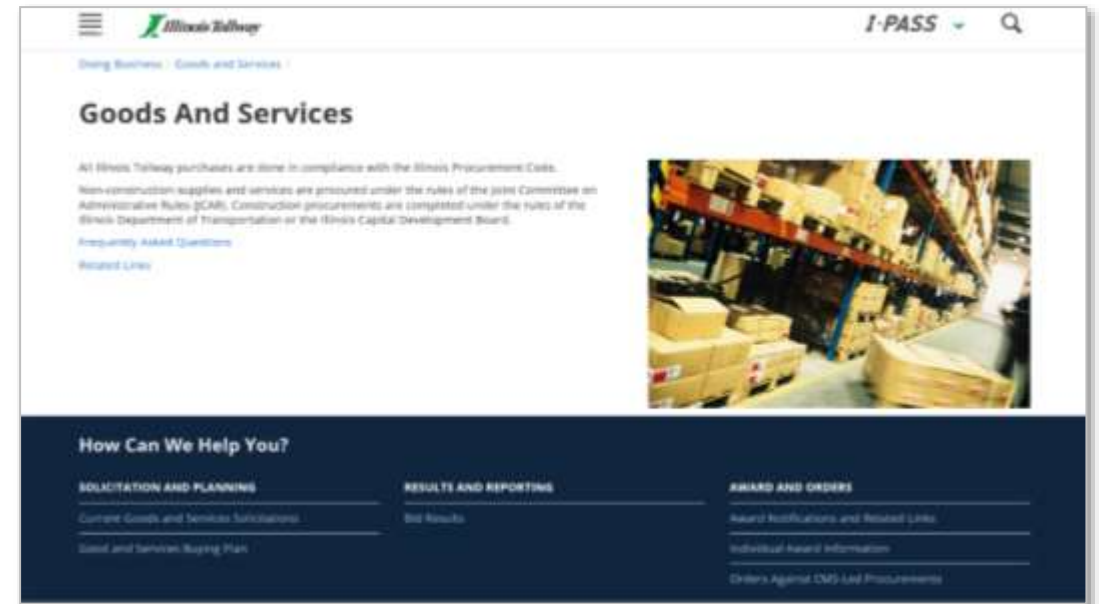

BidBuy is the State of Illinois' e-Procurement System, utilized by the agencies under the Chief Procurement Officer of General Services.

- The Tollway is required to utilize BidBuy for all procurements
- Currently, the Tollway is only accepting electronic bids through BidBuy. Paper bids and bids via fax or email are not accepted.
- Procurement opportunities and awards are listed for the Public to view on the BidBuy website (no login is required)
- Bidders must register in BidBuy to submit Bids/Offer to the Tollway
- For additional information and to register your company, please visit www.bidbuy.Illinois.gov
