JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by this RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: <http://investor.shareholder.com/jpmorganchase/sec.cfm>). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at <http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=914105>). Judgment consistent with the terms of the plea agreement referenced in the press release was entered on January 10, 2017.

Additional information regarding the plea and resolutions of other investigations related to the Firm's foreign exchange activities is available via May 20, 2015 press release (available at <http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=914105>).

JPMorgan Chase & Co. and/or its subsidiaries (collectively, the "Firm") are defendants or putative defendants in numerous legal proceedings, including private civil litigations and regulatory/government investigations. The litigations range from individual actions involving a single plaintiff to class action lawsuits with potentially millions of class members. Investigations involve both formal and informal proceedings, by both governmental agencies and self-regulatory organizations. These legal proceedings are at varying stages of adjudication, arbitration or investigation, and involve each of the Firm's lines of business and geographies and a wide variety of claims (including common law tort and contract claims and statutory antitrust, securities and consumer protection claims), some of which present novel legal theories. Based on current knowledge, the Firm believes it has asserted meritorious defenses to the claims asserted against it in its currently outstanding legal proceedings, intends to defend itself vigorously in all such matters and does not believe that any pending legal proceeding would have a material effect on the Firm's performance of the services contemplated by this RFP. For further discussion, please refer to JPMorgan Chase & Co.'s publicly-filed disclosures, including its most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission (available at: <http://investor.shareholder.com/jpmorganchase/sec.cfm>). Reference is also made to a press release issued on May 20, 2015 concerning settlements related to foreign exchange activities (available at <http://investor.shareholder.com/jpmorganchase/releasedetail.cfm?ReleaseID=914105>). Judgment consistent with the terms of the plea agreement referenced in the press release was entered on January 10, 2017.
