The following Axon Enterprise, Inc. (Axon) warranty provisions are applicable on all sales or transfers of Axon Law Enforcement Products, including TASER conducted energy weapons (CEWs), on-officer audio/video cameras and related accessories.¹ The term "Purchaser" means any purchaser, possessor, or user of the Axon brand products. BY USING THE AXON PRODUCT YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THE WARRANTY AS SET OUT BELOW.

Manufacturer's Limited Warranty²

Axon warrants that its Law Enforcement Hardware Products³ are free from defects in workmanship and materials for a period of ONE (1) YEAR from the date of receipt. CEW cartridges and Smart cartridges that are expended are deemed to have operated properly.⁴ Axon-Manufactured Accessories⁵ are covered under a limited 90-DAY warranty from the date of receipt. Axon warrants that its Axon Signal Sidearm is free from defects in workmanship and materials for a period of 30-MONTHS from the date of receipt. Non-Axon manufactured accessories are covered under the applicable manufacturer's warranty. In the event any country or state imposes a longer express warranty term than that described in this warranty document, then the country or state's term will take precedence.

If a valid warranty claim is received by Axon within the warranty period, Axon agrees to repair or replace the product which Axon determines in its sole discretion to be defective under normal use, as defined in the product instructions. Axon's sole responsibility under this warranty is to either repair or replace with the same or like product, at Axon's option.

The optional extended warranty, when available, may only be purchased at the time of product point of sale. The extended warranty runs from the date of receipt of the extended warranty through the balance of the 1-year limited warranty plus the term of the extended warranty measured after the expiration of the 1-year limited warranty. Purchaser may not buy more than one extended warranty for any one specific product. The extended warranty does not cover user-removable battery replacement, abuse, intentional or deliberate damage to the product, or force majeure during the extended warranty period.^{6,7} For customers who purchase an extended warranty Axon warrants it will repair or replace the Axon product, which fails to function for any reason not excluded by this warranty, during the extended warranty period with the same or like product, at Axon's option. Purchaser may not buy a new extended warranty for any replacement or repaired product which is replaced or repaired under the extended warranty.

Exclusions and Limitations

A replacement product will be new or like new and have the remaining warranty period of the original product or 90 days from the date of replacement or repair, whichever period is longer. When a product or part is exchanged, any replacement item becomes Purchaser's property and the replaced item becomes Axon's property. After the warranty period, Axon may, at its sole option, repair or replace a Axon product for a fee.

This warranty does not apply and Axon will not be responsible for any loss, data loss, damage, or other liabilities arising from: (a) damage from failure to follow instructions relating to the product's use; (b) damage caused by use with non-Axon products or from the use of cartridges, batteries or other parts, components or accessories that are not manufactured or recommended by Axon; (c) damage caused by abuse, misuse, intentional or deliberate damage to the product, or force majeure; (d) damage to a product or part that has been repaired or modified by persons other than Axon authorized personnel or without the written permission of Axon; or (e) if any Axon serial number has been removed or defaced.

To the extent permitted by law, this warranty and the remedies set forth above are exclusive and in lieu of all other warranties, remedies, and conditions, whether oral or written, statutory, express or implied, as permitted by applicable law. Axon specifically disclaims any and all statutory or implied warranties, including without limitation, warranties of merchantability, design, fitness for a particular purpose, arising from a course of dealing, usage or trade practice, warranties against hidden or latent defects, and warranties against patent infringement. If statutory or implied warranties cannot be lawfully disclaimed, then all such warranties are limited to the duration of the express warranty described above and limited

by the other provisions contained in this warranty document.

The remedies provided for in the above warranty are expressly in lieu of any other liability Axon may have. Axon's cumulative liability to any party for any loss or damage resulting from any claims, demands, or actions arising out of or relating to any Axon product will not exceed the purchase price paid to Axon for the product. In no event will Axon be liable for any direct, special, indirect, incidental, exemplary, punitive or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory, even if Axon has been advised of the possibility of those damages or if those damages could have been reasonably foreseen, and notwithstanding any failure of essential purpose of any exclusive remedy provided in this warranty. Some local laws do not allow for the limitation or exclusion of liability for incidental or consequential damages, so the above limitation or exclusion may not apply to you. Any repair to or replacement of any product under this warranty may result in a loss of programs or data.

Release

Purchaser agrees to release Axon from any and all liability arising out of the deployment, use, or misuse of the Axon product, including any claims for damages and personal injuries. Purchaser agrees to assume all risks of loss and all liability for any damages and personal injury which may result from the deployment, use, or misuse of the Axon product. Axon is not liable for the failure of the Axon product to perform and Axon is not liable for any claims made by a third party or by Purchaser for or on behalf of a third party.

Purchaser Responsibilities and Product Registration

Purchaser should update product software and/or firmware as they become available through Axon, as well as perform periodic data uploads to Axon Evidence (Evidence.com) services or download/backup copies of the information, data, and/or video contained on the Axon product storage media to protect the contents and as a precaution against possible operational failures.

To register your Axon product, please go to www.axon.com/register. Registration of your product allows Axon to contact you with important product notifications and provides a record in case of product loss or theft. Registration is voluntary and failure to register will not diminish your limited warranty rights.

Warranty Repair Procedure

For warranty return and repair procedures, including troubleshooting guides, please go to Axon's websites www.axon.com/support or www.evidence.com, as indicated in the appropriate product user manual or quick start guide.

Failure to provide the required information for the returned product will delay the return of the repaired or replaced item. If Purchaser fails to provide the required information, including the RMA number, then Axon assumes no liability for loss of the returned product. Any Axon product that has not been paid for, when required, or for which the required information has not been provided during a period of 90 days after receipt of the Axon product by Axon is deemed abandoned and Axon may dispose of the Axon product without any liability, compensation, or further notification to Purchaser.

Before you deliver your product for warranty service, it is your responsibility to upload the data contained in the product to the Evidence.com services or download the product and keep a separate backup copy of the contents. During warranty service the contents of the storage media will be deleted and reformatted. Axon is not responsible for any loss of software programs, data, or other information contained on the storage media or any other part of the product services. The product will be returned to you configured as originally purchased, subject to applicable firmware updates. Recovery and reinstallation of software programs and user data are not covered under this warranty. *If you require attempted data*

recovery this must be specifically requested (and a fee may be required) or the contents of your product will be deleted and the storage media reformatted in the course of warranty service.
