Local Advisory Committee Meeting

Agenda

- Welcome
- Introductions
- Project Introduction
 & Overview
- LAC Role & Contact Requests
- Anticipated
 Schedule
- Discussion
- Next Steps

Project Overview

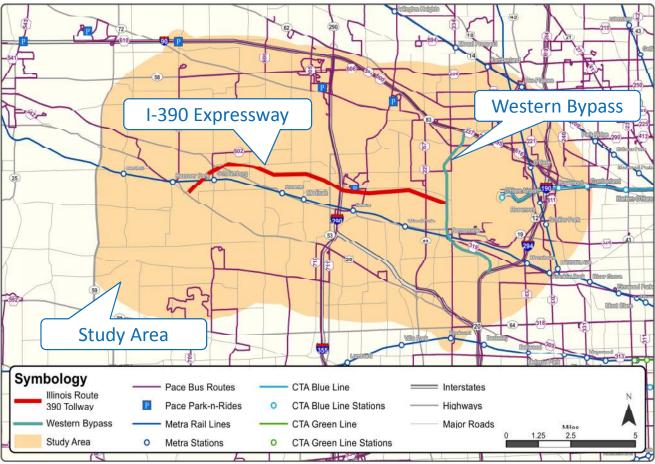

GOALS: To create an incremental transit plan for the Rt. 390 Tollway Corridor that will increase transit market share, intensify transit oriented land uses and create economic development opportunities for communities

Keys Elements

- Integrate Short-term, Medium-term, and Long-term Improvements
- Develop Flexible Approach to Adapt to Changing Environment
- Make Public Transportation Connectivity Seamless
- Build Upon Previous Studies
- Conduct Effective Interagency Coordination

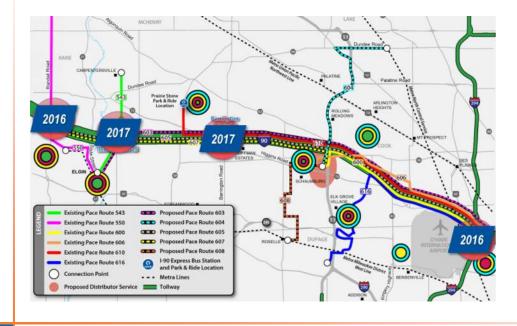

Existing Conditions

- Important regional transportation hub
- More than 500,000 jobs
- New Highway & interchanges
- Space provided for public transportation.

Building on Other Plans

- I-90 Market Expansion Project
- Cook DuPage Rapid Transit Plan
- Other Localized Modernization Projects

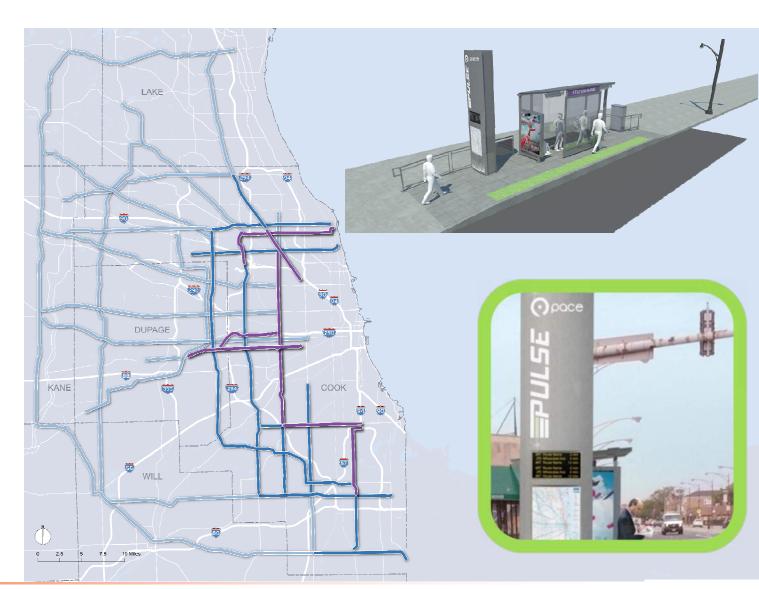

Illinois Route 390 Tollway Corridor Service Study

Pulse Bus

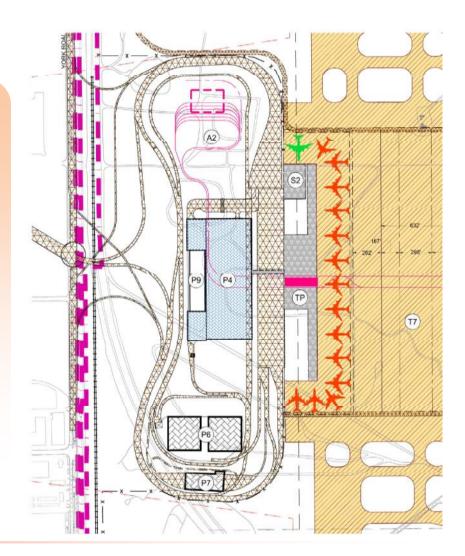

7 Priority Routes

- 1) Milwaukee Ave
- 2) Dempster St
- 3) Harlem Ave
- 4) Cermak Rd
- 5) Halsted St
- 6) 95 St
- 7) Roosevelt Rd

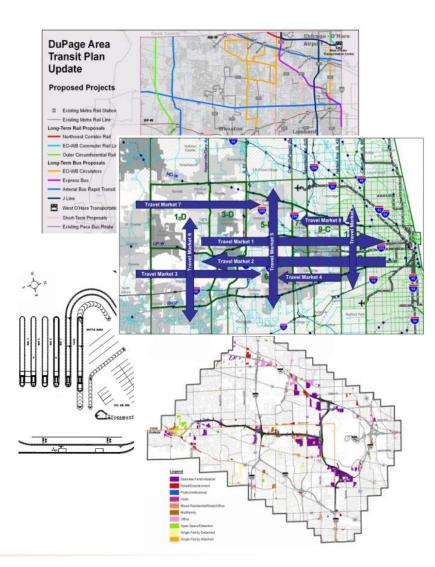

Challenges

- No direct connection to O'Hare/Blue Line
- First and last mile connections
- Existing transit mode share
- Dispersed employment centers
- Connecting inter community trips
- Constrained resources
- Construction/implementation timelines
- Coordination of multiple service provision
- Diverse travel needs
- Station siting
- Funding opportunities
- Other ?

Opportunities

- Build on current strategies/plans
- New highway stimulates growth
- Flexible service plan to complement growth
- Direct connection to O'Hare/Blue Line
- Realistic funding strategy to be competitive
- Increase transit mode share
- Improve travel times/capacity
- Leverage recent investments
- Establishing partnerships
- Align service plans and performance measures
- Improve multimodal connections
- Other ?

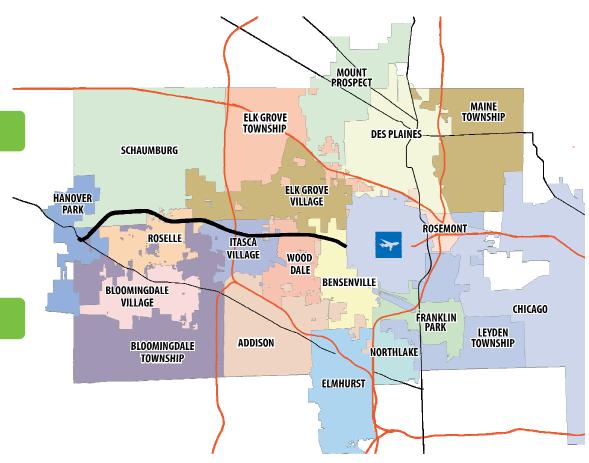

Role of LAC

Who – Local Community Leaders

• Representatives from local Village, City, and County jurisdictions including Mayors, Administrators, Managers, Clerks and Planning Departments.

When – Key Milestones

• Several meetings throughout the study for open dialogue to provide guidance, local input, and assist with the development and vetting of potential service recommendations

Focus Groups

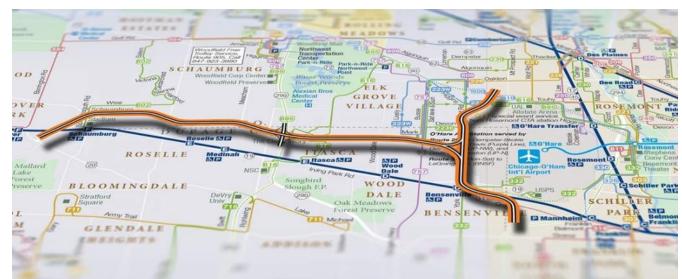

- Business/Employee & Community Group/Service Organization
 - Inform market analysis
 - Identify transit needs
 - Understand concerns and opportunities of potential customers
- Meet once this fall
- Welcome your suggestions (focus group form)

Schedule
