## **Illinois State Police Announce Distracted Driving Enforcement Program Patrols in Cook, DuPage, Kane and Lake Counties**

Downers Grove, IL – Illinois State Police District 15 Commander Jason Bradley announced today that officers will conduct Distracted Driving Enforcement Program (DDEP) patrols between November 16 and November 23 on the Tri-state Tollway (I-94/I-294) in Cook and Lake counties and the Reagan Memorial Tollway (I-88) in DuPage and Kane counties.

The DDEP program allows the ISP to focus on distracted driving laws to prevent traffic deaths and serious injury crashes. Distractions can increase a driver's risk of being in a crash:

- Eating or drinking (non-alcoholic beverages) increases the risk by three times.
- Sending a text message increases the risk by four times.
- Reaching for an object increases the risk by eight times.
- Reading a text message can take a driver's eyes off the road for an average of five seconds.

Officers will be on the lookout for drivers who disobey Illinois' distracted driving laws, especially the following:

- All drivers are prohibited from reading, sending or receiving text messages or communication and from browsing the internet.
- All drivers are prohibited from using handheld electronic communication devices.
- Drivers under the age of 19 are prohibited from using any cellphone, even hands-free.
- All drivers are prohibited from using any cellphone, even hands-free, while in school speed zones and work zones.
- School bus drivers are not permitted to use any type of cellphone, even hands-free.
- It is illegal to use a cellphone or take photos or videos on wireless devices when driving within 500 feet of an emergency scene.

This distracted driving enforcement campaign is made possible by traffic safety funds administered by the Illinois Department of Transportation.
