NOTICE

Pursuant to Illinois Department of Transportation (IDOT) Prequalification rules and procedures, the Illinois Tollway will accept your firm's prequalification the same as IDOT, in that your firm is prequalified until (Fiscal Year + 1 year). As per IDOT, your firm will be given an additional six months from this date to submit the applicable portions of the "Statement of Experience and Financial Condition" (SEFC) to IDOT to remain prequalified.

The firm remains prequalified during this six (6) month grace period. Once the data is submitted to IDOT, either before or on the due date, the firm remains prequalified in the current categories until IDOT reviews a category and makes a determination. If there is not a submittal by the due date, the firm is automatically listed as not approved.

IDOT provides a listing of prequalified consulting firms on the website:

<http://www.idot.illinois.gov/doing-business/procurements/engineering-architectural-professional-services/index>

This list is typically updated weekly, and is based on the most recently approved SEFC application. Firms are encouraged to monitor their prequalification status in IDOT's EPAS system. This notice also applies when utilizing a Subconsultant to meet prequalification requirements on a project.

3.4 SUBMITTAL INSTRUCTIONS

All submittals for this PSB will be received through the Illinois Tollway's e-Builder PSB SOI process at: www.e-builder.net. Contact ebuilder@getipass.com for training and login information.

Firms that are teaming and preparing an SOI must use the code name assigned for the team. When a firm is submitting on behalf of a team, a unique e-Builder account and login ID are required. The team SOI submittal must be created and submitted by the Prime firm. (Important Reminder: if a Prime is submitting for themselves, that account and login ID will be different from the account and login ID that they will use to submit for a team).

The preparation of the SOI for submittal in e-Builder must be done in one e-Builder account, i.e., one account login ID. Each account/login has access only to the e-Builder PSB SOI process instance that is being created in that account. Each e-Builder PSB SOI process instance can only be seen from the login that created it.

One SOI is required for each PSB item. The subject line will be created in the eBuilder PSB SOI process when you select the item number your firm will be submitting for from the pull-down menu. Complete e-Builder instructions for the PSB SOI process can be found in the upper right-hand corner of the SOI instance.

All questions related to this PSB must be submitted electronically through the e-Builder SOI Mailbox at [PSB 21-3.01 Questions and RFIs@docs.e-builder.net](mailto:PSB_21-3.01_Questions_and_RFIs@docs.e-builder.net) at least 10 days (**September 8, 2021 at 4:30:00 pm** (CT) prior to the **submittal date, of September 17, 2021@ 4:30:00 pm (CT)**).
