Illinois State Police Announce Occupant Restraint Enforcement Patrols in Cook and Lake Counties

Downers Grove, IL – Illinois State Police District 15 Commander Jason Bradley announced today that officers will conduct Occupant Restraint Enforcement Patrols (OREP) between April 7 and April 14, 2022, on the Tri-State Tollway (I-94/I-294) in Cook and Lake counties.

Illinois Department of Transportation (IDOT) statistics for 2018 revealed that 258 people were killed while not wearing their seatbelts. The goal of the OREP program is to increase statewide safety belt usage by vigorously enforcing all Illinois occupant restraint laws.

Illinois State Police Troopers will have a zero-tolerance approach towards all unrestrained occupants of motor vehicle during these patrols. Illinois law requires all occupants of a motor vehicle to be properly restrained regardless of where they are sitting. Children under the age of 8 are required to be properly secured in a child restraint system at all times. Children under the age of 2 must be secured in a rear-facing, properly secured child restraint system unless the child weighs 40 or more pounds or is 40 or more inches long. Children who weigh 40 or more pounds may be secured in the rear seat of a vehicle with a seat belt.

The OREP project is funded through the IDOT Division of Traffic Safety.
