ILLINOIS STATE POLICE TO CONDUCT NIGHTTIME ENFORCEMENT PATROLS

DOWNERS GROVE – Illinois State Police (ISP) District 15 Commander Jason Bradley announces the ISP will conduct Nighttime Enforcement (NITE) patrols in DuPage, Kane and Will counties during late August and early September 2022 in and around the Labor Day Holiday. NITE patrols allow the ISP to focus on preventing, detecting and taking enforcement action in response to impaired driving and occupant restraint violations especially between the hours of 6:00 p.m. and 6:00 a.m.

The number of unrestrained drivers killed in traffic crashes is significantly higher at nighttime and combined with impaired driving means even more traffic deaths during these critical hours. Officers will strictly enforce violations including:

- Driving under the influence (DUI)
- Safety belt and child restraint use
- Speeding
- Distracted driving
- All Illinois Vehicle Code and Criminal Violations.

Alcohol and drug impairment are factors in more than 30% of all fatal motor vehicle crashes in Illinois. More than half of all fatal crashes in Illinois occur at night. The NITE program allows officers to work even harder at removing dangerous impaired drivers from the road and making sure everyone is buckled up. This project is funded through the Illinois Department of Transportation.
