## **Illinois Tollway Statement on the Passing of Alice Gallagher**

On behalf of the Illinois Tollway Board of Directors and staff, we share in the sorrow of the passing of Alice Gallagher. Alice was respected for her thoughtful leadership as a member of the Illinois Tollway Board of Directors, where she consistently served as an advocate for all communities along the Central Tri-State Tollway (I-294) and Tollway customers. Our condolences go out to her family and all in her community of Western Springs.
