The Protégé assessment is to be solely from the Protégé’s point of view and sent directly to the Tollway. An honest and forthright assessment of the Partnering for Growth experience is encouraged. Only the lessons learned from the report will be used to strengthen the Partnering for Growth Program.

I. Objective Summary

Summarize the objectives from the Partnering for Growth Agreement.

II. Benchmark/Deliverable Summary

Clearly state the Benchmarks/Deliverables from the approved Partnering for Growth Agreement and whether they were met. Include how they were met and if a benchmark was not met, what, if any progress was made and why the goal wasn’t reached. Also include what experience was gained toward an additional prequalification category.

III. Quarterly Report Summary

Summarize the progression through the Agreement. Include timelines as they relate to Benchmarks and Deliverable achievements.

IV. Assessment

Summarize any problems, observations, or issues in working within the Agreement. List any resolutions implemented throughout the life of the Agreement addressing challenges encountered and the success of those resolutions. Summarize lessons learned with any recommendations for future Agreements, relationships, or the Partnering for Growth Program. Also include any successes as a result of the Partnering for Growth relationship.
