Records Requested: *Provide as much specific detail as possible so the public body can identify the information that you are seeking. You may attach additional pages, if necessary:

On 5-8-16 I was the victim of a hit and run going westbound on I80. The driver continued to proceed west, so I followed and they exited onto I355 going north. They then exited the first exit (Southwest highway I believe) and we went through the toll both at 4:55 am. The other driver went through the IPASS booth five seconds before I did. My plates are registered for a 2013 Ford Fiesta and I do have an active IPASS account. I am seeking the license plate of the vehicle that went through the toll right before I did. I believe the vehicle was a silver or gray late model Jeep cherokee.
