Records Requested:

In January of 2016 all Tollway employees received W2's for the 2015 tax year. My W2, as well as every other EO/L's W2, contained an error in Box 12. Box 12 pertains to the cost of our health insurance. On 3/11/16, Executive Director, Greg Bedalov, sent out a memo acknowledging the error on our W2's and indicated that we would be receiving corrected W2's. The grand total of the discrepancy amongst the W2's in reference was in the neighborhood

of \$2,000,000. I'm assuming the error in our W2's was also originally entered in error in the Tollway's own tax filings for 2015.

The documents I would like include:

The Tollway's 2015 tax year filing.

The Tollway's 2015 tax year corrected filing (if it exists)

Receipts/expense reports for quarterly (or perhaps annual) payments made to Teamsters Local 727 Health & Welfare Fund during tax year 2015 & 2016.

If the health insurance costs on the Tollway's 2015 tax year filing aren't itemized per plan (Tollway HMO/Tollway PPO/Teamsters insurance), please supply records for the cost of each plan that year, as well as the documents used to calculate the total healthcare costs for the Tollway's 2015 tax year filing.
