

Leading the way as environmental stewards

The Tollway is committed to increasing the tree canopy along our roads. We will improve the urban forest by researching tree planting and care along the roadside in partnership with The Morton Arboretum. Our landscape plan calls for the planting of 58,000 trees.

I-PASS can be used in 17 states via the E-ZPass system*

*Central Florida Expressway Authority is scheduled to go online mid to late summer.

Traveling this summer? Take your I-PASS with you. Before hitting the road, update your account. Check your account balance and add funds at getipass.com.

IMPORTANT I-PASS ACCOUNT MESSAGE

Any I-PASS account-related message from the Tollway will always request that customers call our customer service team directly (800-824-7277) or to securely [log in to their I-PASS accounts](#). Official I-PASS email messages will never request any personal or credit card information.

Know your milepost when calling for help

Milepost signs are located every quarter mile along the Tollway system and identify the road, direction of travel and milepost number. To request roadway assistance or in the case of an incident, knowing your milepost location allows emergency responders to identify where you are and respond quicker. For roadway assistance or to report an incident on the Tollway, dial *999.

Work zone safety is important for motorists and workers

The Tollway is committed to ensuring its roadways remain safe for both drivers and workers during construction.

Work zone safety is everybody's responsibility.

Find [daily construction alerts](#) and an [interactive tollway map](#) for construction information.

WORK ZONE SAFETY TIPS:

- Slow down
- Pay attention in work zones
- Watch for workers
- Don't tailgate – rear-end collisions are the most common type of crashes that occur in work zones

DRIVE SOBER OR GET PULLED OVER

Alcohol and drug impairment is a significant factor in nearly 40% of all fatal crashes in Illinois.

Illinois State Police District 15 has zero tolerance for impaired driving and is conducting roadside safety checks.
