Committee Business

Committee Chair Gonzalez introduced Cassaundra Rouse, Chief Internal Auditor. Ms. Rouse then introduced Cathy Baumann, KPMG Audit Partner, noting in her introduction that KPMG’s engagement by the Illinois Auditor General to examine the Tollway will conclude upon completion of their audit of the agency’s fiscal year (“FY”) 2016 financial statements.

Ms. Baumann then presented the Independent External Audit Services Plan for the KPMG audit to be conducted on behalf of the Illinois Auditor General of the Tollway’s financial statements for the FY ended December 31, 2015. Highlights of the presentation included an overview of the engagement team, the objectives of the audit, responsibilities, KPMG’s audit approach and methodology, risk assessment, the audit plan, new accounting pronouncements, independence safeguards, and the resources made available to the Audit Committee through KPMG’s Audit Committee Institute. At the conclusion of her presentation, Ms. Baumann advised that field work for the audit will begin in January 2016 and that report issuance is expected in June of 2016.

Committee Chair Gonzalez asked whether KPMG’s FY 2015 audit scope includes requirements of Governmental Accounting Standards Board (“GASB”) Statement No. 68 Accounting and Financial Reporting for Pensions, and, if so, whether this mandate is expected to require additional efforts in the financial reporting and audit processes. Ms. Bauman responded affirmatively, explaining that compliance will entail additional disclosure and reporting requirements for the agency and efforts by KPMG to strengthen its knowledge of the state’s determinations for how liabilities to the State Employee’s Retirement System are to be measured and recognized.

Ms. Rouse then provided the Committee an update on Internal Audit activities to-date, including the state of Internal Audit staffing resources and an overview of the Annual Risk Assessment conducted.
