Dear Ms. Robert:

This letter is to confirm that the Illinois Tollway has been informed of your desire to withdraw your FOIA request for “any and all of the following records pertaining to the property located on the southeast side of Route 47, west side of Manning Road and north side of Big Timber Road in Huntley, Illinois, consisting of approximately 76.49 acres (PIN: 02-17-400-009):

1. Any and all documents, including but not limited to, any wetland delineations, jurisdictional determinations, reports, studies, investigations or other written determinations prepared by you or any other entity that are within your file pertaining to or impacting or reflecting the nature, presence or extent of floodplain, floodway or wetlands on the Subject Property.

2. Any and all correspondence, memoranda, notes, minutes, transcripts, emails, discs, flash drives or any other documentation to or from ISTHA, any office of the Department of the Army Corp of Engineers, IDOT or any other entity or person pertaining to or discussing the existence, absence or making of a determination of the floodplain, floodway or wetlands on the Subject Property.

3. Any and all correspondence, memoranda, notes, minutes, transcripts, emails, disc, flash drives or any other documents to or from ISTHA, any office of the Department of the Army Corp of Engineers, IDOT or any other entity or person pertaining to, discussing or referencing in any way the wetland mitigation ratio to be applied, utilized or required on the Subject Property, or any other wetland impacted within the Project.”

Respectfully,

Joelle McGinnis
