Phillip Goldberg

Dear Mr. Goldberg:

The Illinois Tollway is in receipt of your FOIA request for “any public record that would shed additional light on the process and criteria used that led to the appointment of Maria Rodriguez to the Rt 53/120 Advisory Council.

This would include all correspondence to/from the Director, Board members or whomever was responsible for MR's nomination, selection and final appointment, including all letters, emails, memos or other correspondence and minutes of meetings from 2011 when she was appointed, including to/from Ms Rodriguez herself.”

We have completed the review of your request. Please note that enclosed with this letter are copies of the responsive records.

Respectfully,

Joelle McGinnis
Freedom of Information Officer
