The Illinois State Toll Highway Authority met in regular session on Thursday, September 30, 2004 at approximately 10:00 a.m. in the Board Room of The Illinois State Toll Highway Authority’s Administration Building in Downers Grove, Illinois.

The Meeting was held pursuant to By-Laws of the Authority upon call and notice of the Meeting executed by Chairman John Mitola, which notice reads in words and figures as follows:
Pursuant to the provisions of Article IV, Section 2 of the Code of By-laws of The Illinois State Toll Highway Authority, Notice is hereby given of the next meeting of the Authority to be held on Thursday, September 30, 2004 at 10:00 a.m. in the Boardroom of the Administration Building in Downers Grove, Illinois.

John Mitola
Chairman

This meeting will be accessible to individuals with disabilities in compliance with Executive Order #5, and pertinent state and federal laws, upon notification of anticipated attendance. Persons with disabilities planning to attend and needing accommodations should contact the Americans with Disabilities Act Coordinator of The Illinois State Toll Highway Authority at (630) 241-6800, Ext. 1010 in advance of the meeting at 2700 Ogden Avenue, Downers Grove, IL, to inform of their anticipated attendance.
Chairman Mitola stated that this is a regularly scheduled meeting of the Board of The Illinois State Toll Highway Authority and asked the Secretary to call the roll. Those present and absent were as follows:

Present:  
Chairman John Mitola  
Director David R. Andalcio  
Director James Banks  
Director Carl Kramp – teleconference  
Secretary Timothy W. Martin  
Director Ronald E. Materick  
Director George Pradel  
Director James Roolf  
Director Carl Towns

Absent:  
Governor Rod R. Blagojevich

Chairman Mitola stated that Director Carl Kramp has been ill but would be joining the meeting via telephone, in accordance with the Bylaws.

Chairman Mitola then outlined the meeting as follows: “The meeting will start with the public comment period. After that, the Board needs to do some customary housekeeping, basically reviewing and approving the Minutes from the last Board Meeting. There will then be a brief presentation by the Tollway staff regarding our plan to provide reduced-cost I-PASS transponders to low-income and fixed-income drivers. Next, the Board will hold discussion about the Long-Range Plan and then bring that plan to a vote. At the end of the Long-Range Plan discussion, we’re going to take a 15-minute recess. We’ll then reconvene the Board Meeting to take on our normal standing agenda.”

The Chief of Administration, Brian McPartlin then led the public comment period, which is in the transcript attached to these Minutes.

Chairman Mitola thanked the speakers for sharing their thoughts and read into the record a letter from the Lieutenant Governor.

“Dear Chairman Mitola, as Lieutenant Governor and former Illinois State Treasurer who served as custodian of Illinois Toll Highway Authority
funds for four years, I believe the proposed ten-year, $5.3 billion Open Roads for a Faster Future plan needs improvement.”

“For the record, here are some specific reforms I would recommend.”

“First, guaranteed I-PASS rates stability for passenger car drivers for the next ten years.”

“Rate stability can be accomplished by the Toll Highway Authority Board approving a formal resolution guaranteeing a ten-year freeze. Indeed, the Toll Highway Authority should ask the Illinois General Assembly to enact a statute codifying the toll freeze, just as the General Assembly passed a law providing a moratorium on electric rate hikes for residential customers in the 1990s.”

Point number two, “reduce upfront transponder cost for drivers of limited income. The steep upfront cost of an I-PASS transponder can be a deterrent to those of limited income who wish to participate. The Toll Highway Authority has yet to produce a detailed plan to address this problem. As a result, thousands of low-income and fixed-income drivers are consigned to expensive and congested cash lanes because they cannot afford the upfront cost of a transponder.”

“To bridge this ‘digital divide’ and boost I-PASS usage, the Toll Highway Authority should cut the initial transponder cost from $50 to $15 for low-income drivers, persons with disabilities and senior citizens on fixed incomes.”

Point number three, “phase-in any toll increase for non I-PASS passenger car drivers.”

“The immediate doubling of tolls for non I-PASS passenger car drivers is excessive. A phased-in increase over four years would soften the blow, coupled with an annual analysis of its effectiveness.”

Fourth point, “an open and competitive Tollway bond issuance process.”

“As State Treasurer and custodian of Toll Highway Authority funds (between) ’91 and ’95, I objected strenuously to the Authority’s bond
issuance shenanigans. To allay any concerns the public may have about the legitimacy of the Tollway’s bonding process, the Toll Highway Authority Board must conduct an open and competitive bidding process for bond issuance. When it comes to bond issuance, ‘sunlight is the best disinfectant’ in protecting the public interest.”

Point number five, “establish an annual schedule for transition from tollways to freeways.”

“The Toll Highway authority has the legal obligation to make Illinois’ ‘Open roads’ truly open. The upshot of the current ‘Open roads’ plan is the addition of 16 years of tolls to the financial life of the state Tollway system…to 2033.”

“The Toll Highway Authority should set an annual schedule of when it will convert existing tollways into toll freeways, as required by law.”

“Everything done by the members of Toll Highway Authority Board should be devoted to carrying out this obligation. For example, developers who benefit handsomely from locating near new tollway routes and interchanges should be required to pay impact fees to a trust fund dedicated to prepaying Tollway bonds.”

“All Board members must remember their missing: The goal is to have open-road tolling but to have truly open roads.”

“Sincerely, Pat Quinn, Lieutenant Governor.”

Chairman Mitola moved on with the agenda and called for a motion to approve the Minutes of the Board Meeting held on August 26, 2004.

Director Banks moved for approval; seconded by Director Roolf.

Chairman Mitola called for a voice vote, and there being “Ayes” and no “Nays”, declared the motion carried.

Chairman Mitola then called on the Chief of Staff, Marilyn Johnson, to present the staff’s plan relating to low-income and fixed-income riders and their ability to obtain I-PASS.
