1. DESCRIPTION OF SUPPLIES AND SERVICES

- 1.1. **GOAL:** The Illinois Tollway is dedicated to providing and promoting a safe and efficient system of toll supported highways while ensuring the highest possible level of service to our customers. The Illinois Tollway is looking for vendors who share that commitment and will help meet that goal.
- 1.2. **SUPPLIES AND/OR SERVICES REQUIRED:** The Illinois Tollway is seeking vendors to provide authorized Freightliner Original Equipment Manufacturer (OEM) truck repair parts and services.

The Illinois Tollway currently operates approximately 50 medium- and heavy-duty Freightliner trucks. The Tollway performs the majority of the repairs to these trucks in-house and will continue to process them in-house when feasible. This contract shall provide ancillary sources for Freightliner truck repairs. The types of repairs under this contract shall be those that the Tollway's experienced technicians cannot perform due to workload, uniqueness of the repair, or if Freightliner warranty participation is expected. Since this contract is reactive to unexpected repairs, it is not possible to determine the number of repairs that shall be performed by the Vendor annually. A reasonable estimate for the total number of repairs is 15 to 20 per year.

The authorized Freightliner OEM repair centers are required to perform repairs on Freightliner trucks that, for various reasons, the Tollway is unable to perform directly. The Freightliner OEM repair center shall be located within the rectangle indicated on the map located in Exhibit 2. A repair estimate shall be provided within twenty four (24) hours of receipt of a Tollway truck. The Freightliner OEM repair centers are expected to initiate repairs within forty-eight (48) hours and expedite repairs to ensure the repairs are completed in a timely manner acceptable to the Tollway.

In instances where the authorized Freightliner warranty repair requires components or the truck to be sent out for a portion of the repairs, the Tollway shall allow for a Third-Party Repair Administrative fee. The Vendor shall verify the repair sent to the Third-Party as being completed accurately prior to returning the vehicle to the Tollway. For this service the Tollway shall allow the Vendor to add an administrative fee of up to 10% to the cost of the Third-Party repair invoice.

The Vendor shall warrant all parts and labor repairs for a period of twelve (12) months. This warranty shall not include repairs required due to damage or negligence by the Tollway.

1.2.1. Repair Estimates and Repair Approval: All work shall require an estimate before a repair is initiated. The estimate shall be provided at no charge to the Tollway. The Vendor shall receive written approval from the Tollway's Fleet Manager (or authorized designee) before any repairs are initiated. Should additional unforeseen repairs arise related to the initial repair, the Vendor shall contact the Fleet Manager and provide an updated estimate and shall receive the Tollway's approval before any repairs continue. Upon completion of the repairs, the truck shall be released to the Illinois Tollway. Under no circumstance shall an Illinois Tollway truck be held at a repair center while awaiting payment. Due to the Tollway's funding source, the Tollway typically pays invoices within thirty (30) days.

1.2.2. Warranty: The Tollway may send units for repair, which are under warranty and on occasion shall require the Tollway to participate in the cost of the warranty repair. The Tollway shall require the Freightliner OEM truck repair center to manage these warranty repairs to ensure the

lowest cost for the Tollway's financial participation. The authorized Freightliner OEM truck repair center shall be capable of performing any required warranty repairs. The Freightliner OEM truck repair centers shall provide factory-trained technicians (refer to Section 1.4) to perform factory-certified warranty repairs.

- 1.2.3. Quantities: It shall be expressly understood by the bidder that the estimated bid quantities specified in the contract documents are for the purpose of determining the lowest bid and to establish unit prices. The Tollway may, over the term of the Contract, place orders for more or fewer than the estimated quantities stated. The Tollway does not guarantee that any minimum number of quantities shall be ordered from the Vendor. Materials furnished under this contract shall be delivered in multiple deliveries as determined by the needs of the Illinois Tollway. The estimated quantities of this contract shall be based on a period of two (2) years; prices shall remain firm for the term of the contract. The decision to pre-order and hold any inventory rests solely with the Vendor.
- 1.2.4. Hourly Rates: The awarded contract shall be a time and materials contract. Regular hourly rates shall include the period from 8:00 a.m. to 5:00 p.m. CDT, Monday through Friday. Emergency hourly rates shall include all other hours not defined above, including overnight, weekend, and holiday hours. Emergency rates shall be invoiced at one and one-half times the hourly rate. Rates begin at the time the Vendor arrives at the Illinois Tollway's work site and ends when the Vendor departs from the Illinois Tollway's work-site.
- 1.2.5. Catalog Line Items: The percent discount bid in Line 2, Catalog Pricing, shall remain in effect for the entire term of the contract and any subsequent renewals. The successful bidder shall supply the Tollway with two (2) Manufacturer's Parts Price Lists within seven (7) business days after the notification of award. Copies shall be current and effective as of the contract start date. In the event the catalog is not available in paper format, the Vendor may provide this information in CD-ROM form compatible with any current Windows platform or a website accessible by Tollway personnel. During the initial term of the Contract and any subsequent renewals, the Tollway shall accept supplements to the manufacturer's list price catalog. It shall remain the sole responsibility of the Vendor to provide price supplements to the Tollway. These prices shall be effective as of the date the price supplements are received by the Tollway's Purchasing Department and shall be applied only to subsequent orders placed by the Tollway and not to pending orders already placed but not received by the Tollway. Price supplements shall be sent to:

Illinois Tollway
Attn: Procurement Department / Contract Administrator
2700 Ogden Avenue
Downers Grove, Illinois 60515

- 1.2.6. Related Performance Standards: All material used shall match existing materials identified above or as found. All equipment, materials, and installation work shall comply with the above specifications, the Illinois Occupational Safety and Health Administration (OSHA) standards and relevant Illinois Building Codes.

1.2.7. Standards of Performance: The Vendor shall perform, or cause to be performed, all Work required of it under the terms and conditions of the Contract with that degree of skill, care and diligence normally exercised by an experienced vendor performing work in projects of a scope and magnitude comparable to this project. The Vendor shall use reasonable efforts to assure timely and satisfactory completion of the work. The Vendor shall at all times act in the best interest of the Tollway. The Vendor shall perform or cause to be performed, all work in accordance with the terms and conditions of this Contract and to the reasonable satisfaction of the Tollway.

1.3. MILESTONES AND DELIVERABLES: From the months of November through April of each year, the Vendor shall give priority to the Tollway for repairs to snow plow trucks. During this timeframe, the Vendor shall provide an estimate within twenty-four (24) hours of receipt of a vehicle and be prepared to commence a repair within forty-eight (48) hours. The Vendor shall work continuously on a repair during normal working hours until the repair is complete. During the months of May through October the Vendor shall provide the estimate within forty-eight (48) hours and the repair commencing within seventy-two (72) hours; unless a repair is deemed an emergency by the Tollway.

1.3.1. Emergencies during the months of May through October shall require the Vendor to provide an estimate within twenty-four (24) hours of receipt of a vehicle and be prepared to commence a repair within forty-eight (48) hours; with the vendor working continuously on a repair during normal working hours until the repair is complete.

1.4. VENDOR / STAFF SPECIFICATIONS: The Vendor shall be an authorized Freightliner Original Equipment Manufacturer (OEM) warranty repair center capable of working with the Tollway and Freightliner to complete warranty repairs that include Tollway financial participation. The Vendor's location shall be within the Tollway's regional map (See Exhibit 2 Regional Map). The Vendor's staff shall have a minimum of five (5) years' experience in performing the types of repairs outlined in this contract. The authorized Freightliner OEM truck repair centers shall be capable of performing any required repairs. The Freightliner truck repair center shall have service and repair staff that are factory-trained technicians.

The Vendor shall provide a letter of certification upon request of the Tollway as proof of being an authorized Freightliner (OEM) warranty repair center and a list of Certified Technicians with the Technician's years of experience.

2. PRICING

2.1 FORMAT OF PRICING:

- 2.1.1 Vendor shall submit pricing in the format shown below, based on the terms and conditions set forth in section 1 of this Contract.
- 2.1.2 Pricing shall be submitted in the following format: The Tollway is providing the vendor information in the tables below for the purpose of determining a low bidder(s). Vendor shall bid on all lines in order to be considered responsive. Failure to bid on all lines shall result in a disqualified bid. The estimated quantities of this contract shall be based on a period of two (2) years; prices shall remain firm for the term of the contract.
- 2.1.3 The dollar amount (if any) awarded to each successful vendor shall be determined by the number of Freightliner OEM repair centers given an award and the volume of repairs estimated to be performed by each Freightliner OEM repair center, at the discretion of the Tollway. The prices provided by the bidders in the pricing schedules below shall be used to establish unit prices and shall be applied to all repairs performed under this contract. Bidders agree to provide pricing equal to or lower than pricing provided to other governmental agencies or the general public.

Line 1 – Labor Rate per Hour

Line	Description	Estimated Hours	Hourly Rate	Extension (Estimated Hours x Hourly Rate)
1	Labor Rate (per Hour):	800 hours	\$	\$
Total Line 1:				\$

The Illinois Tollway is also seeking a percent discount from manufacturer's list price for all items that the Tollway may purchase throughout the contract term. Bidder shall enter the discount from manufacturer's list price in the pricing table below. Bidder shall determine the amount of discount from the manufacturer's published list price that they are willing to provide the Tollway. This price shall be applied to all items and parts purchased utilizing this contract. To complete the Pricing Table below the Bidder shall multiply the "Estimated Usage" by "Percent Discount from Manufacturer's List Price" to obtain the "Dollar Value of Percent Discount from Manufacturer's List Price." To obtain the "Extension," subtract the "Dollar Value of Percent Discount" from the "Estimated Usage." For example; \$60,000.00 ("Estimated Usage") x 1% ("Percent Discount") = \$600.00 ("Dollar Value of Percent Discount"). To obtain the "Extension," \$60,000.00 ("Estimated Usage") - \$600.00 ("Dollar Value of Percent Discount") = \$59,400.00 ("Extension").

The Illinois Tollway is also seeking to establish an administrative fee for third party repairs that the Tollway may utilize throughout the contract term. Bidder shall enter the Administrative Fee in the pricing table below. Bidder shall determine the amount of Administrative Fee they are willing to provide the Tollway. This fee shall be applied to all third party repairs performed utilizing this contract. To complete the Pricing Table below the Bidder shall multiply the “Estimated Usage” by “Administrative Fee (Percentage Amount)” to obtain the “Dollar Value of Administrative Fee.” To obtain the “Extension,” add the “Dollar Value of Administrative Fee” to the “Estimated Usage.” For example; \$60,000.00 (“Estimated Usage”) x 1% (“Administrative Fee”) = \$600.00 (“Dollar Value of Administrative Fee”). To obtain the “Extension,” \$60,000.00 (“Estimated Usage”) + \$600.00 (“Dollar Value of Administrative Fee”) = \$60,600.00 (“Extension”).

- 5.4.2 The State Prompt Payment Act (30 ILCS 40) does not apply to the Tollway. Therefore, the first two sentences of paragraph 4.1.1 are deleted.

- 5.4.3. The Tollway is not currently an appropriated agency. Therefore, to the extent paragraph 3.5 and 4.29 concerns the Tollway being an appropriated agency, it does not apply.
- 5.4.4. The invoice submission deadline included in the second sentence of above paragraph 4.1.6 does not apply to the Tollway. Therefore, the second sentence of this paragraph is stricken. However, the remainder of the paragraph remains in effect.

5.5 REPORT OF A CHANGE IN CIRCUMSTANCES:

The (Contractor/Vendor) agrees to report to the TOLLWAY as soon as practically possible, but no later than 21 days following any change in facts or circumstances that might impact the (CONTRACTOR/VENDOR)'s ability to satisfy its legal or contractual responsibilities and obligations under this contract. Required reports include, but are not limited to changes in the (CONTRACTOR/VENDOR)'s Certification/Disclosure Forms, the (CONTRACTOR/VENDOR)'s IDOT pre-qualification, or any certification or licensing required for this project. Additionally, (CONTRACTOR/VENDOR) agrees to report to the Tollway within the above timeframe any arrests, indictments, convictions or other matters involving the (CONTRACTOR/VENDOR), or any of its principals, that might occur while this contract is in effect. This reporting requirement does not apply to common offenses, including but not limited to minor traffic/vehicle offenses.

Further, the (CONTRACTOR/VENDOR) agrees to incorporate substantially similar reporting requirements into the terms of any and all subcontracts relating to work performed under this agreement. The (CONTRACTOR/VENDOR) agrees to forward or relay to the Tollway any reports received from subcontractors pursuant to this paragraph within 21 days.
