

**FOR IMMEDIATE RELEASE**  
**November 8, 2018**

## **EXTENDED RAMP CLOSURE SCHEDULED TO BEGIN NEXT WEEK ON VETERANS MEMORIAL TOLLWAY (I-355) AT MAPLE AVENUE**

*Closures needed for repair work, detours will be posted*

**DOWNERS GROVE, IL** – Extended ramp closures with detours are scheduled to begin next week and continue through the end of the month for pavement repair work on two ramps connecting the Veterans Memorial Tollway (I-355) to Maple Avenue.

Electronic message signs and construction signage will be put in place in advance to alert drivers to the ramp closure and detour. The closures are necessary to safely provide a work zone for pavement patching on the ramp.

Weather permitting, during the week of November 12, the ramps connecting southbound I-355 to Maple Avenue and Maple Avenue to northbound I-355 are scheduled to close with posted detours. The ramps are scheduled to remain close through the end of the month.

The posted detours will direct traffic exiting southbound I-355 to the 63<sup>rd</sup> Street Interchange and then to Main Street to reach Maple Avenue and route traffic entering northbound I-355 to use Lincoln Avenue the Ogden Avenue Interchange to reach the tollway.

The project is being coordinated with the Illinois Department of Transportation, DuPage County, Village of Lisle and local fire and police departments.

In 2018, the Illinois Tollway has scheduled roadway, bridge and ramp work on throughout the Veterans Memorial Tollway (I-355). Between Army Trail Road and I-55, work includes resurfacing to provide a smoother riding surface for the traveling public, including widening of the roadway between Butterfield Road (Illinois Route 56) and Roosevelt Road (Illinois Route 38). In addition, roadway lighting, signage and guardrail improvements are scheduled, as well as retaining wall and noisewall work. All work is scheduled to be complete in summer 2019.

The improvements are funded by the Illinois Tollway's 15-year, \$14 billion capital program, *Move Illinois: The Illinois Tollway Driving the Future*.

Maps and construction information about the I-355 Roadway Resurfacing and Repair work is available on the Tollway's website at [Illinoistollway.com](http://Illinoistollway.com) via the Interactive Tollway map and under "Projects Overview" in the Explore Projects section.

### **Work Zone Safety**

The Illinois Tollway is committed to ensuring that the Veterans Memorial Tollway (I-355) and local roads remains safe for both drivers and workers during construction, which is part of the agency's overall commitment to roadway safety.

Work zone speed limits are in effect in all construction zones 24/7 and drivers should continue to watch for changing traffic patterns and use caution, especially when workers are present.

In addition, the Illinois Tollway reminds motorists that the "Move Over Law" requires motorists to change lanes or to slow down and proceed with caution when passing any vehicle on the side of the road with hazard lights activated. If you see flashing lights ahead, please move over or slow down.

Illinois State Police have zero tolerance for drivers speeding in work zones or failure to comply with the Move Over Law.

The minimum penalty for speeding in a work zone is \$375. Posted signs advise drivers of a \$10,000 fine and a 14-year jail sentence for hitting a roadway worker. Penalties for failure to slow down or move over for a vehicle on the shoulder with flashing lights includes up to a \$10,000 fine, 2-year suspension of driving privileges and jail time, in extreme cases.

### **Getting Tollway Construction Information**

The Illinois Tollway has a variety of ways customers can get the latest travel information, including:

- [Illinoistollway.com](http://Illinoistollway.com) – Explore Projects section, live roadway images and real-time roadway incident information.
- [Daily construction alerts](#) — Daily and long-term lane and shoulder closure schedules.
- [Travelmidwest.com](http://Travelmidwest.com) – Real-time travel times.
- [Twitter.com](http://Twitter.com) – Real-time roadway incident information at Tollway Trip 90, Tollway Trip 88, Tollway Trip 355, Tollway Trip 94/294 and Tollway Trip 390.

### **About Move Illinois**

The Illinois Tollway's 15-year, \$14 billion capital program, *Move Illinois: The Illinois Tollway Driving the Future*, is improving mobility, relieving congestion, reducing pollution, creating as many as 120,000 jobs and linking economies throughout the region. The first six years of *Move Illinois* are on schedule and within budget, delivering the new Illinois Route 390 Tollway and a rebuilt and widened Jane Addams Memorial Tollway (I-90) with its new SmartRoad corridor, as well as opening a new interchange

connecting the Tri-State Tollway (I-294) to I-57. Progress continues on projects addressing the remaining needs of the existing Tollway system, delivering the new I-490 Tollway Project and reconstruction of the Central Tri-State Tollway (I-294) and planning for emerging projects.

**About the Illinois Tollway**

The Illinois Tollway is a user-fee system that receives no state or federal funds for maintenance and operations. The agency maintains and operates 294 miles of roadways in 12 counties in Northern Illinois, including the Reagan Memorial Tollway (I-88), the Veterans Memorial Tollway (I-355), the Jane Addams Memorial Tollway (I-90), the Tri-State Tollway (I-94/I-294/I-80) and the Illinois Route 390 Tollway.
