## Overview

---

### Description and Specifications:

Subject to approval by the Tollway's Board of Directors, the Illinois Tollway is giving notice of intent to award contract 17-0202 Red Hat Software Maintenance and Support to National Tek Services, Inc.

This contract provides a source for the purchase of maintenance and support for existing Red Hat licenses. Specifically the Red Hat software acts as the primary application server for hosting the web portal functionality covering both corporate and self-service websites as well as the Tollway's operational back-office application (ATS) which processes the transactions and images from the roadways.

The initial term of the contract shall not exceed \$752,160.00 without a formal change order.

The contract start date is an estimate and will start upon execution of the contract.
