EXECUTIVE SUMMARY

The State Employment Records Act, 5 ILCS 410/1 et seq., requires the Illinois State Toll Highway Authority (Tollway) to report on its activities and its progress in implementing strategies and programs directed toward the hiring and promotion of Hispanics, Asian-Americans and bilingual persons at supervisory, technical, professional, and managerial levels, including assessments of bilingual service needs and information received from the Auditor General pursuant to its period review responsibilities. See, 5 ILCS 410/20. This is the eighth year the Tollway has been included in this reporting requirement and we have made significant progress on the goals and objectives we set for ourselves for achieving a more diverse workforce through strategies affecting recruitment, hiring, and retention.

I. The Tollway’s Progress on its 2017 Goals and Objectives

Last year, the Tollway submitted goals and objectives for achieving a more diverse workforce through strategies affecting recruitment (with the goal of working towards targeted recruitment), hiring (with the goal of interweaving hiring efforts and diversity objectives), and retention (with the goal of realizing an inclusive environment). Our intention is to both maximize the diversity of our applicant pool by expanding our outreach efforts in order to attract job candidates of diverse backgrounds, as well as to carefully monitor our hiring process to make sure it is open and accessible to everyone and that no EEO group is adversely affected by any of our selection procedures, including the written test, the interview, and the final selection for the position. We continue to make progress on our goals and objectives and continue to attend the Illinois Legislative Latino Caucus Foundation annual conference which allows the Tollway to connect with members of the community.

A. The Tollway Continues to Strengthen its Connection to the Hispanic Community

During 2017, we continued to enlarge our pool of outreach sources to include over 690 contact e-mails including community groups, professional organizations, colleges and universities (specifically including Hispanic serving institutions – colleges and universities with Hispanic populations of 25 percent or greater), social and traditional media, and other sources in minority communities. In addition to our usual outreach sources, we participated in numerous job fairs including the prestigious Illinois Legislative Latino Caucus Foundation.
B. The Tollway Actively Works to Ensure its Hiring and Selection Process is Fair and Open to Everyone

We continually examine our hiring and selection process to identify and eliminate any barriers to obtaining employment at the Illinois Tollway. We have scrutinized our job requirements to make sure they are inclusive, and reviewed our written tests to make sure the questions are job-related and consistent with business necessity. We select diverse Rutan interview panels whenever possible, and we conduct disparate impact analyses on our selection procedures to determine whether there are areas in which any EEO group is adversely affected by our selection criteria.

C. The Tollway Enjoys the Richest Diversity in its History

We continue to enrich our diversity. In 2017, nearly 30% of our workforce (29.08%) was comprised of people of color, exceeding the percentage in 2016 of (27.5%). When compared with State agencies subject to the Illinois Personnel Code, 20 ILCS 415/1 et seq., the Tollway is in the top 29% for representation of Hispanics in its workforce.

We continue to enrich our diversity. During 2017, the representation of people of color in our new hire pools was 36%. During the same period, the representation of Hispanics in our new hire pools was 7.5%. Also during 2017, 31% of the employees we promoted were people of color and 17.2% of the employees we promoted were Hispanics. Over the course of the State’s fiscal year 2017, the Tollway reduced its underutilization of Hispanics.

II. The Tollway’s Continuing Goals and Objectives

While we are pleased with our successes, we believe we can accomplish more and are excited for the 2018 Plan Year. As reflected in the Tollway’s Goals and Objectives, we intend to build on our diversity efforts of 2017 and increase our visibility in the Hispanic community, fully integrate our underutilization information into every part of the application and selection process, continue to diversify our Rutan interview panels, use our e-recruiting program to scrutinize the application and selection process for selection criteria with an adverse impact on Hispanics and study reasons for employee turnover.

---

1 The State of Illinois follows the United States Supreme Court’s decision in Rutan v. Republican Party of Illinois, 497 U.S. 62 (1990) and the ensuing Administrative Orders issued by the Governor’s Office regarding the interview and selection process for State jobs.

2 Based upon the EEO Quarterly Reports.

3 The Tollway is exempt from the Personnel Code. See, 20 ILCS 415/4(c)(13).

4 Pursuant to the Quarterly Reports and Annual Affirmative Action Plan the Tollway submits to the Illinois Department of Human Rights, the Tollway calculates its underutilization using the State’s fiscal year of July 1 through June 30th.

5 Underutilization occurs when the percentage of employees in a protected group, in this case Hispanics, is less than the percentage of that protected group in the relevant available labor market. Parity occurs when the percentage of employees in that protected group is equal to or greater than the percentage of that protected group in the relevant available labor market. Utilization figures are not calculated when there are fewer than ten employees in a job category because the numbers are too small to yield statistical reliability.
III. Charts included in Tollway’s Hispanic Employment Plan

The pages that follow include the State Regional map of the Illinois Department of Human Rights (IDHR), a chart reflecting the Representation of Hispanics in Illinois’ Available Workforce\(^6\) and the Tollway Workforce as of December 31, 2017, charts reflecting the representation of minorities and Hispanics at the Tollway on a quarterly basis during 2017, charts reflecting the representation of Hispanics in new hire pools and promotions during 2017, and the Tollway’s list of continuing Goals and Objectives for its Hispanic Employment Plan.

GOALS AND OBJECTIVES

The Illinois Tollway reviews its 2017 goals and objectives and offers the following goals and objectives to strive for during the 2018 Hispanic Employment Plan year:

### RECRUITMENT

1. **Continue to pursue relationships with Hispanic advocacy organizations.**

<tr>
<td>In 2017, we partnered with Communications for outreach. We also conducted workshop sessions on hiring and interviewing at the Tollway, and partnered with CMS when they were presenting. Expanded our visibility in the Hispanic community through media and job fairs including IL Association of Hispanic State Employees IL Legislative Latino Caucus Association. Utilize social media, i.e., LinkedIn &amp; other social media outlets to advertise our postings and to partake in networking opportunities.</td>
<td>In 2018, we plan to expand our visibility in minority communities, including the Latino community, by disseminating our job opportunities through a greater number of outreach sources, through the media, and through job fairs. We will also expand and refine our use of social media for outreach purposes. We also plan to partner with community leaders to co-sponsor job fairs and educations events targeting various minority communities. In 2018, we will continue to utilize our e-recruiting hiring and selection system to further enable us to pinpoint potential disparate impact and allow us to proactively design tailored and effective recruitment, hiring, and retention initiatives.</td>
</tr>
</tbody>
</table>

2. **Revamp the Illinois Tollway’s website to make it more inviting and attractive to Hispanic candidates**

<td>Continued to ensure newly created tests are reviewed by the EEO/AA Office to ensure there is no adverse impact to any minority group.</td>
<td>We plan to continue to prioritize these objectives. The Illinois Tollway’s Administration Department will be assuming a greater role in ensuring completion of these tasks. This is an on-going effort. We prioritize and review these objectives, when creating a new test; the test is validated by a diverse in-house pool of employee to ensure no adverse impact. We will continue to ensure that old and newly administered tests are reviewed by the EEO/AA Office to ensure no minority group is adversely impacted. The EEO/AA Office will also continue to review all hiring packets and hiring monitors to reduce underutilization numbers in EEO job categories.</td>
