The Illinois Tollway is an administrative agency of the State of Illinois which exists to provide for the construction, operation, regulation, and maintenance of a system of toll highways within the State of Illinois. The Tollway's main revenue is derived from the tolls it collects from users. The Tollway is also empowered to enter into contracts; acquire, own, use, lease, operate, and dispose of personal and real property, including rights of way, franchises, and easements; establish and amend resolutions, by-laws, rules, regulations, and toll rates; acquire, construct, relocate, operate, regulate, and maintain the Tollway system; exercise powers of eminent domain and condemnation; raise or lower toll rates; and contract for services and supplies, including services and supplies for the various patron service areas on the Tollway system. Tollway funds are not appropriated by the Illinois General Assembly.

The Illinois Tollway requests proposals from responsible Offerors to meet its needs. A brief description is set forth below for the Offeror's convenience, with detailed requirements in subsequent sections of this solicitation. If interested and able to meet these requirements, the State appreciates and welcomes an Offer.

Brief Description: The Illinois Tollway is seeking a vendor to provide license plate registration retrieval services for non-Illinois U.S. states, the District of Columbia and Canadian provinces which are necessary for identification and pursuit of toll violators. The vendor shall provide registered owner information as supplied by the jurisdictional Division of Motor Vehicles (DMV) - or other government authority responsible for vehicle registrations in a manner determined by the Tollway, which will enable the Tollway to pursue violators for non-payment of tolls and all applicable fines and fees.

The resulting contract with the awarded Offeror shall have an initial term of three (3) years. In no event will the total term of the contract, including the initial term, any renewal terms, and any extensions exceed ten (10) years. 30 ILCS 500/20-60. Subject to the maximum total term limitation, Illinois Tollway has the option to renew for the following terms: three (3) years.

Contract Goal to be Achieved by the Vendor: This solicitation includes a specific BEP utilization goal of 6% based on the availability of BEP certified vendors who perform or provide the anticipated services and/or supplies required by this solicitation. In addition to the other award criteria established for this solicitation, the Illinois Tollway will award this contract to a Vendor that meets the goal or makes good faith efforts to meet the goal. This goal is also applicable to change orders and allowances within the scope of work provided by the BEP certified vendor. If Vendor is a BEP certified vendor, the entire goal is met and no subcontracting with a BEP certified vendor is required; however, the Vendor must submit a Utilization Plan indicating that the goal will be met by self-performance.

Please read the entire solicitation package and submit an Offer in accordance with the instructions. All forms and signature areas contained in the solicitation package must be completed in full and submitted along with the technical response and price proposal which combined will constitute the Offer. Do not submit the instruction pages with Offers.

INSTRUCTIONS FOR SUBMITTING OFFERS

SECTION 1.

A. INSTRUCTIONS FOR SUBMITTING OFFERS

- A.1. PROCESS CHANGES RESULTING FROM BIDBUY:** BidBuy is the new electronic procurement system being used by agencies under the jurisdiction of the Chief Procurement Officer for General Services. With the implementation of BidBuy, some procurement processes have changed. In some instances, BidBuy entirely replaces the State's previous procurement processes. In others, the past instruction or process remains unchanged or is augmented by BidBuy.

The State publishes Requests for Proposals (RFP) in BidBuy. BidBuy consists of public webpages that may be referred to as the "Bulletin" or information "on BidBuy". BidBuy also permits vendors to create password protected Seller Accounts allowing electronic quoting for some procurement methods. The RFP, along with other attachments and information on BidBuy, constitutes the State's solicitation. The State does not accept electronic offers submitted through BidBuy in response to RFPs. Offerors must continue to submit offers in paper format and in accord with the instructions for submission. Offerors must pay special attention to the instructions found on BidBuy as they augment the information in this RFP. Offerors shall read the entire contents of this RFP and direct any questions to the Information Contact found on the BidBuy posting.

- A.2. CONFLICT BETWEEN INFORMATION ON PAPER AND BIDBUY:** If the State provides information in paper format (i.e. the RFP and other attachments) that is different or in conflict with the information the State provides on BidBuy, then the information in paper format is presumed to represent the State's intent. If the Offeror provides information in paper format that is different or in conflict with the information the Offeror provides in BidBuy through their Seller Account, then the information in paper format shall represent the Offeror's intended submission.

- A.3. HOW TO ENTER INFORMATION:** Type information in the red text form fields (i.e. [REDACTED]) provided. If the information requested does not apply to the Offeror's situation, then enter "N/A" into the text form field. Please enter the requested information or N/A into every text form field.

- A.4. PUBLISHED PROCUREMENT INFORMATION:** The State publishes procurement information, including solicitations, awards, and amendments, on the General Services Illinois Procurement Bulletin, also referred to as the Bulletin or BidBuy (<https://www.bidbuy.illinois.gov/bsa/>). Procurement information may not be available in any other form or location. Offeror is responsible for monitoring the Bulletin. The State will not be held responsible if Offeror fails to receive the optional e-mail notice of future amendments to the solicitation.

- A.5. INFORMATION CONTACT:** The individual listed in the "Info Contact:" on the Bulletin posting shall be the single point of contact for this solicitation. Unless otherwise directed, Offerors should only communicate with the Information Contact. The State shall not be held responsible for information provided by or to any other person.

Suspected errors should be immediately reported to the Information Contact. Do not discuss, directly or indirectly, the solicitation or any Offer with any State officer or employee other than the Information Contact.

Questions received and Agency responses may be posted as an Amendment to the original solicitation on the Bulletin; only these posted answers to questions shall be binding on the State. Offerors are responsible for monitoring the Bulletin.

A.7. REQUIRED MEETINGS

In the Bulletin posting, the Agency may schedule a Pre-Bid Conference or Site Visit as the “Pre Bid Conference:”.

Offerors who fail to meet minimum requirements or who receive fewer than the minimum required points, if any, will not be considered for price evaluation and award.

The State evaluates three categories of information: responsibility, responsiveness, and price. STATE OF ILLINOIS

INSTRUCTIONS FOR SUBMITTING OFFERS

A.23.2. **RESPONSIBILITY:** A Responsible Offeror is one who has the capability in all respects to perform fully the contract requirements and who has the integrity and reliability that will assure good faith performance. The State determines whether the Offeror is a “Responsible” Offeror; an Offeror with whom the State can or should do business. For example, the State may consider the following:

A.23.2.1. A “prohibited bidder” includes any person assisting an employee of the State of Illinois by reviewing, drafting, directing, or preparing any invitation for bids, a request for proposal, or request of information, or providing similar assistance unless such assistance was part of a publically issued opportunity to review drafts of all or part of these documents. For purposes of this section, an employee of the State of Illinois means one who, by the nature of his or her duties, has the authority to participate personally and substantially in the decision to award a State contract. No person or business shall submit specifications to a State agency unless requested to do so by an employee of the State. No person or business that contracts with a State agency to write specifications for a particular procurement need shall submit a bid or proposal or receive a contract for that procurement need.

Nothing herein is intended to prohibit a vendor from bidding or offering to supply developing technology, goods or services after providing the State with a demonstration of the developing technology, goods, or services; provided the subject of the demonstration to the State represents industry trends and innovation and is not specifically designed to meet the State's needs. Nothing herein is intended to prohibit a person or business from submitting a bid or offer or entering into a contract if the person or business: (i) initiates a communication with an employee to provide general information about products, services, or industry best practices and, if applicable, that communication is documented in accordance with Section 50-39 of the Illinois Procurement Code or (ii) responds to a communication initiated by an employee of the State for the purposes of providing information to evaluate new products, trends, services, or technologies.

A.23.2.2. Other factors that the State may evaluate to determine responsibility include, but are not limited to: political contributions, certifications, conflict of interest, financial disclosures, taxpayer identification number, past performance in business or industry, references (including those found outside the Offer), compliance with applicable laws, financial responsibility, insurability, effective equal opportunity compliance, payment of prevailing wages if required by law, capacity to produce or sources of supply, and the ability to provide required maintenance service or other matters relating to the Offeror’s ability to deliver in the quality and quantity within the time and price as specified in this solicitation.

A.23.2.3. Awarded Offerors must at all times have financial resources sufficient, in the opinion of the State, to ensure performance of the contract and must provide proof upon request. The State may require a performance bond if, in the opinion of the State, it ensures performance of the contract. The State may terminate the contract,

STATE OF ILLINOIS INSTRUCTIONS FOR SUBMITTING OFFERS

consistent with the termination for cause provision of the contract, if the vendor lacks the financial resources to perform under the contract.

A.23.2.4. The State may require that an Offeror correct any deficiencies as a condition of further evaluation.

A.23.3. **PRICE:** The State identifies the lowest priced Offer that meets the responsibility and responsiveness requirements.

A.24. BUSINESS ENTERPRISE FOR MINORITIES, WOMEN, AND PERSONS WITH DISABILITIES ACT PARTICIPATION AND UTILIZATION PLAN: The Bulletin posting indicates whether this solicitation contains a goal to include businesses owned and controlled by minorities, women, and persons with disabilities. If this solicitation is for non-construction supplies or services and contains a goal, then failure to submit a Utilization Plan shall render the Offer non-responsive. 30 ILCS 575/4(f). All questions regarding the subcontracting goal must be directed to the Agency Business Enterprise Program (BEP) Liaison prior to submission of proposals.

BEP Liaison: Yvette Riley

Phone Number: 312-814-1089

Email Address: Yvette.Riley2@illinois.gov

Businesses included in Utilization Plans as meeting BEP requirements as prime vendors or subcontractors must be certified by the Department of Central Management Services as BEP vendors prior to the Bid Opening Date. Go to <https://www2.illinois.gov/cms/business/sell2/bep/pages/default.aspx> for complete requirements for BEP certification. Go to <https://cms.diversitycompliance.com/> to search for certified BEP vendors.

A.25.
