

PUBLIC NOTICE
The Illinois State Toll Highway Authority
NOTICE OF COMMITTEE MEETINGS
Monday, September 14, 2020

Public Notice is hereby given of the following Board Committee Meetings to be held on Thursday, September 17, 2020.

- **Systems Review & Customer Service Committee Meeting (formerly the Customer Service & Planning Committee)**
September 17, 2020 – 9:30 a.m.

- **Finance, Administration & Operations Committee Meeting**
September 17, 2020 – 9:45 a.m.

Due to necessary precautions relating to Coronavirus (COVID-19), in accordance with the Gubernatorial Disaster Proclamation and current conditions, and consistent with the legislature's recent amendments to the Open Meeting Act, 5 ILCS 120/7(e), which suspend the requirement of a physical quorum, the September 17, 2020 Systems Review & Customer Service Committee and the Finance, Administration & Operations Committee meetings will be held telephonically.

There will be live audio feed of the committee meetings available on the Tollway website at www.illinoistollway.com while in session. Members of the public who wish to make public comment may participate *via* audio conference call by calling 1-800-875-3456 and giving the verbal passcode: "Tollway".

An audio file will be available five business days after the meeting at www.illinoistollway.com, and written meeting minutes will be available at www.illinoistollway.com after their approval at the next regular Board meeting.

Extra Work Order

Contract #: I-19-4506

Vendor: K-Five Construction Corporation; Westmont, IL

Description: Shoulder Rehabilitation and Traffic Crossover Construction

Location: Tri-State Tollway (I-294) MP 17.8 (95th Street) to MP 20.7 (LaGrange Road)

Change Amount: \$365,000.00

Reason: This construction contract extra work order provides for the addition of new drainage structures in the median crossovers associated with shoulder rehabilitation and traffic crossover installation (advance maintenance of traffic). The added work is necessary to accommodate mainline traffic during future mainline reconstruction and widening contracts along the Tri-State Tollway (I-294) between 95th Street and LaGrange Road.

Impact on Completion: No current impact.

Company Information

K-Five Construction Corporation was founded in 1979 and is headquartered in Westmont, IL with over 200 employees. K-Five provides heavy highway paving contracting services for both government and private interests.

Land Acquisition - Sale of Excess Property

Contract #: N/A**Description:** This resolution authorizes the sale of Parcel WA-1D-12-022.EX, south of Green Street in Bensenville to the Village of Bensenville.**Scope:** The Village of Bensenville has notified the Illinois Tollway of its decision to exercise the rights to excess property south of Green Street as granted in a Letter of Understanding signed December 12, 2018. The Village intends to use the property for economic development purposes.

- Date of original purchase: 7/24/2017
- Original Appraisal of parcel: \$16,591,000 (\$15/square foot)
- Original take of parcel: 25.392 acres (1,106,086 square feet)
- Parcel was purchased via negotiated settlement for \$19 million (\$17.18/square foot)

- Original acquisition also included an additional property from the same company north of Green Street
 - North property acquired in the amount of \$9,250,000 (\$19/square foot) - appraised at \$8,102,000 (\$16.77/square foot) consisting of 11.091 acres (483,124 square feet)

- December 2018 Tollway Village Letter Of Understanding
 - Agreed to sell at the acquisition price estimated at \$19 million
 - Village concurrence to allow Tollway to build a maintenance facility in their community
 - The Tollway has been and continue to work out of a temporary shared site with IDOT
 - The new maintenance site is under construction using additional land the Tollway acquired in the village

- 2020 IGA
 - Selling 24.983 acres (less than original acquisition to reserve ROW for construction and utilities). A portion of the original parcel is being used for roadway, drainage and utility improvements necessary for the EOWA project
 - Sale price of \$18,696,186.54 (\$17.18/square foot) which is the same as the acquisition price which was above Fair Market Value

- Village of Bensenville Letter Of Intent with Developer
 - Dated 8/6/2020
 - Agree to sell for \$19 million or subject to final IGA with Village and Tollway

FAO Committee/Board Meeting
September 2020
Engineering Department

Item Number: **6.2/9**
Activity Type: **Approval/Resolution**

Land Acquisition - Sale of Excess Property

- Proposed development: The anchor of the site to be an Illinois based family-owned logistics firm who will bring 400 employees with them; these are well paid employees with an average salary of around \$65,000. The Village is still finalizing the details it looks like the main tenant will occupy 300,000 square feet and an additional 80,000 square foot building on the west end of the site. Phase 3 includes an additional (third) spec building.

The Excess Property Committee determined the parcel was excess to the Tollway's needs and approved the parcel to be sold via Special Warranty Deed. The property consists of 24.983 acres.

Amount: \$18,696,186.54

Intergovernmental Agreement

Contract #: N/A

Description: Intergovernmental Agreement with The Department of State Police of the State of Illinois (“Department”)

Scope: The Illinois State Toll Highway Authority (“Tollway”) last entered into an Intergovernmental Operating Agreement (“Agreement”) with the Department in July 2012. With the assistance of the Illinois Attorney General’s office, the Tollway and the Department have been renegotiating and updating their Agreement. Negotiations are now complete. The updated and revised Intergovernmental Agreement continues the Tollway’s and the Department’s existing relationship and newly authorizes these parties to share confidential investigative information generated in connection with an administrative and/or criminal investigation, by either party, in which the subject of the investigation is an Illinois State Police employee assigned or formerly assigned to District 15 or a TOLLWAY employee or agent.

Amount: Approximately \$40.3 million

Intergovernmental Agreement

Contract #: N/A

Description: An Intergovernmental Agreement with the Village of Bensenville (“Village”)

Scope: For purposes of constructing I-490, the Tollway acquired and now owns real property in the Village that formerly was owned and occupied by Aaron Equipment Company (“Parcel”). Approximately 24.983 acres of the Parcel is not required for Tollway construction, future operations or maintenance purposes and has been declared excess. In a Letter of Understanding executed on December 18, 2018, the Tollway and the Village agreed that the Tollway would provide the Village a right of first refusal to acquire, at fair market value, any portion of the Parcel declared excess. The Tollway notified the Village of the foregoing declaration, and the Village has opted to purchase the excess portion of the Parcel at fair market value. Accordingly, the Village will purchase the approximately 24.983 acres of the Parcel declared excess at \$17.18 per square foot, which is the same price the Tollway paid for it.

Amount: The Tollway is receiving approximately \$18,696,186.54 for the portion of the Parcel it declared excess.

<u>Project or Annual Budget Detail</u>

Intergovernmental Agreement

Contract #: N/A

Description: An Intergovernmental Agreement with the Illinois Department of Transportation (“Department”)

Scope: As part of the Tollway’s rehabilitation and reconstruction of the Central Tri-State (“Project”), the Department requested that the Tollway replace and widen the deck of the St. Charles Road Bridge over I-290, including approach pavement replacement, substructure repairs, addition of shear stud connectors and cleaning and painting of structural steel. The Department also requested that the Tollway replace the high mast tower lighting on the west side of the I-294/I-290 interchange with conventional highway lighting. The Tollway agreed to include the requested work in its Project, subject to reimbursement by the Department, and the Department agreed to reimburse the Tollway for the actual cost of the work. The estimated amount of the Department’s reimbursement obligation is \$3,560,000. The Department will pay approximately 80% of that amount when the Tollway lets the contracts on the Project. It will pay the remaining 20% when the Tollway completes the Project.

Amount: The estimated cost of the work the Department requested is \$3,560,000. The Department will reimburse the Tollway for the actual cost of the work.
