Illinois State Police Announce Nighttime Special Enforcement Patrols in DuPage, Kane and Will Counties

Downers Grove, IL – Illinois State Police District 15 Commander Jason Bradley announced today that officers will conduct Nighttime Enforcement Patrols (NITE) between October 17 and November 1 on the Reagan Memorial Tollway (I-88) in DuPage and Kane counties and the Veterans Memorial Tollway (I-355) in DuPage and Will counties.

Illinois Department of Transportation (IDOT) statistics for 2018 revealed that 27 percent of all fatal motor vehicle crashes involved alcohol and 258 people were killed while not wearing their seatbelts. The NITE program focuses enforcement efforts on drivers who are impaired and occupants of motor vehicles who are not wearing their seatbelts. These patrols will be conducted during nighttime hours when impaired driving crashes causing death or serious injury occur at higher rates.

Illinois State Police Troopers will have a zero-tolerance approach to impaired and unrestrained drivers during these patrols. Drivers who are determined to be driving under the influence (DUI) will be arrested, their vehicle may be impounded and they may face suspension of their driving privileges for up to one year for a first offense. Drivers who are convicted of DUI may face fines of up to \$2,500 and possible imprisonment for up to one year for first convictions. Penalties for subsequent convictions of DUI include possible imprisonment for up to 12 years and fines of up to \$25,000 if crashes cause great bodily harm or permanent disfigurement to other persons.

The NITE project is funded through the IDOT Division of Traffic Safety.
