

THE ILLINOIS STATE TOLL HIGHWAY AUTHORITY

January 8, 2013

CONSTRUCTION BULLETIN No. 13-01

SUBJECT: Tollway Pre-Qualified Facilities for Clean Construction Demolition Debris (CCDD) Fill Operations.

General

This bulletin identifies the Tollway's current pre-qualified facilities for Clean Construction Demolition Debris (CCDD) fill sites located throughout Illinois operating in accordance with Illinois Public Act 96-1416. Contractors will be required to use one or more of these pre-approved facilities for the appropriate disposal of CCDD materials from Tollway property.

All material transferred to a CCDD facility shall be in accordance with Illinois Department of Transportation Standard Specifications.
