DESIGN BULLETIN No.15-03

SUBJECT: CADD SOFTWARE UPDATE

Effective immediately, any professional services procured from PSB 14-3, or later, shall utilize the Bentley Power GEOPAK V8i SELECTseries 4 (08.11.09.789) software update. Any services procured in PSB 14-2, or earlier, may continue to utilize Bentley MicroStation & GEOPAK V8i SELECTseries 2, but all consultants have the option to update to SELECTseries 4, upon discussion with their Tollway Project Manager.
