

Rockford (M-7) Maintenance Site Construction Networking Event

June 28, 2016

Agenda

**Tollway maintenance site
improvements**

**Rockford (M-7) maintenance site
project**

Diversity goals and resources

Doing business with the Tollway

Presented June 28, 2016

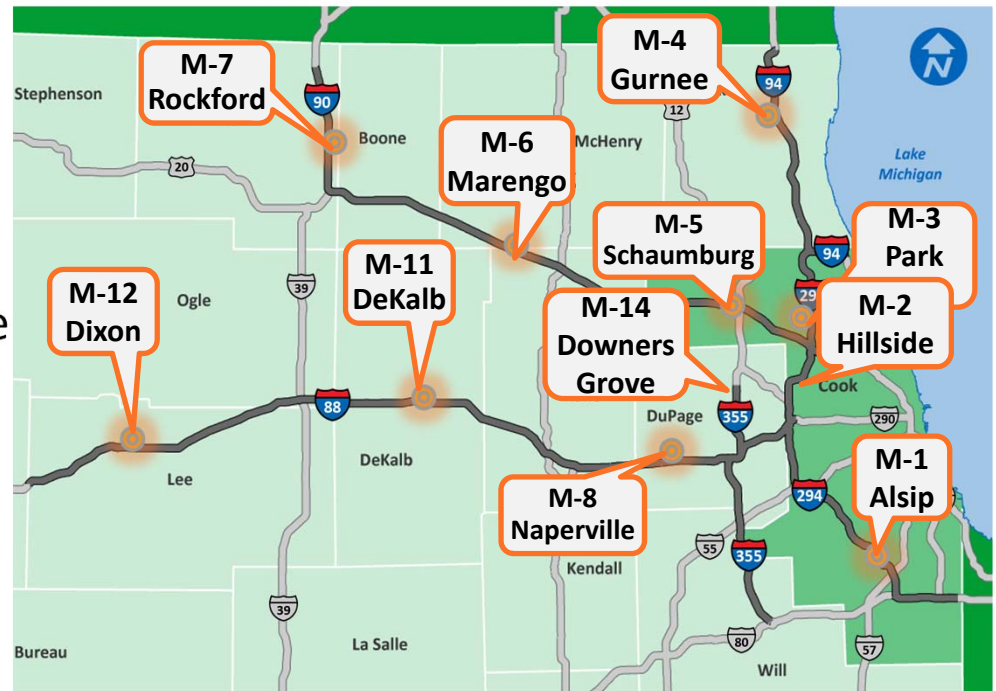

Maintenance Site Improvements

Program duration from 2013 to 2026

Designed to meet Leadership in Energy and Environmental Design (LEED) standards

Overview

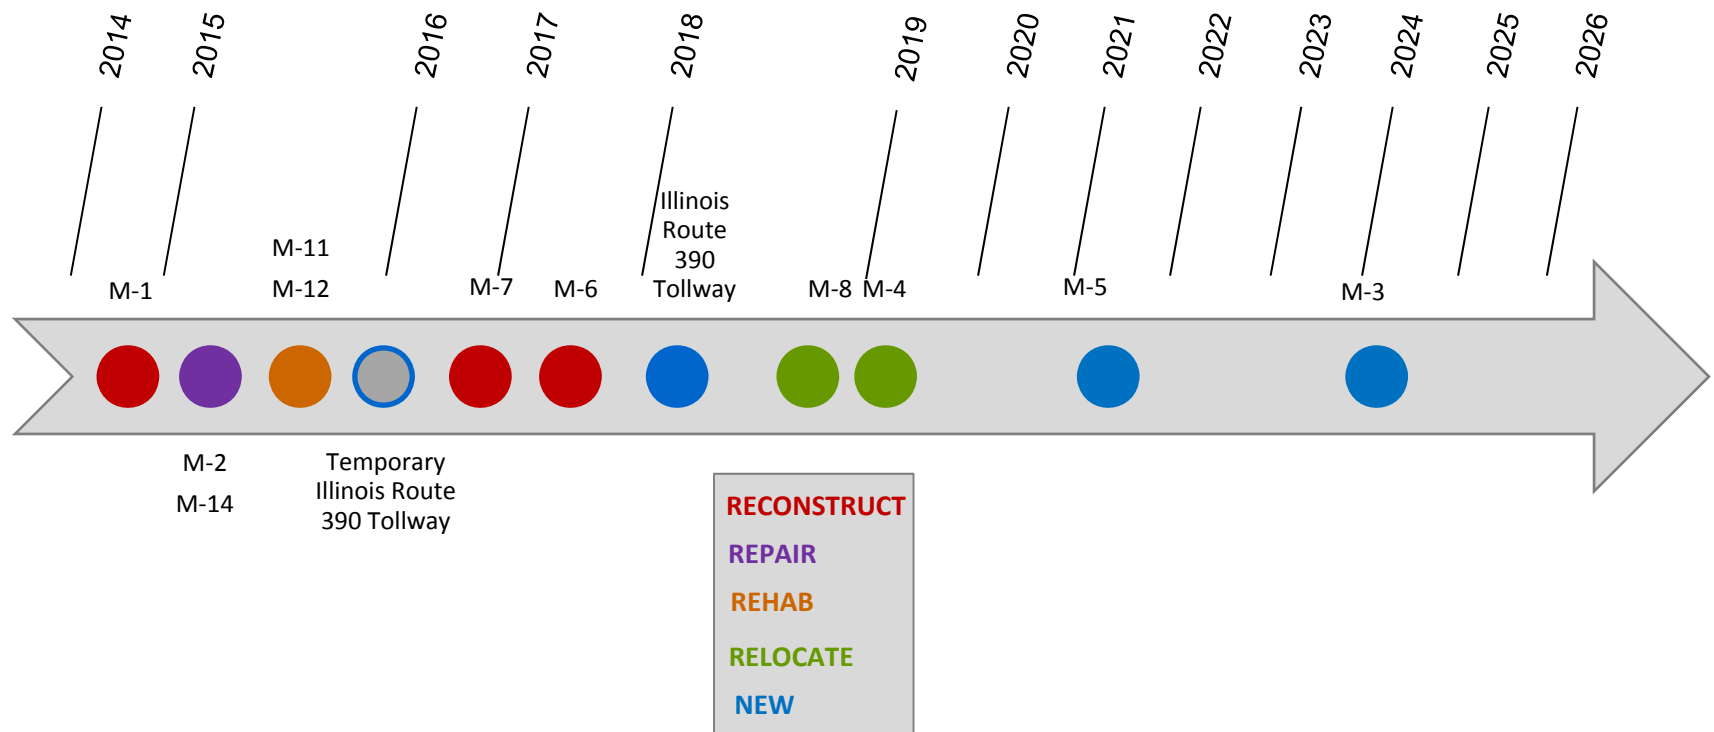

- Five reconstructions
- Two reconstruction/relocation
- One new Elgin O'Hare Western Access site
- Four rehabilitations

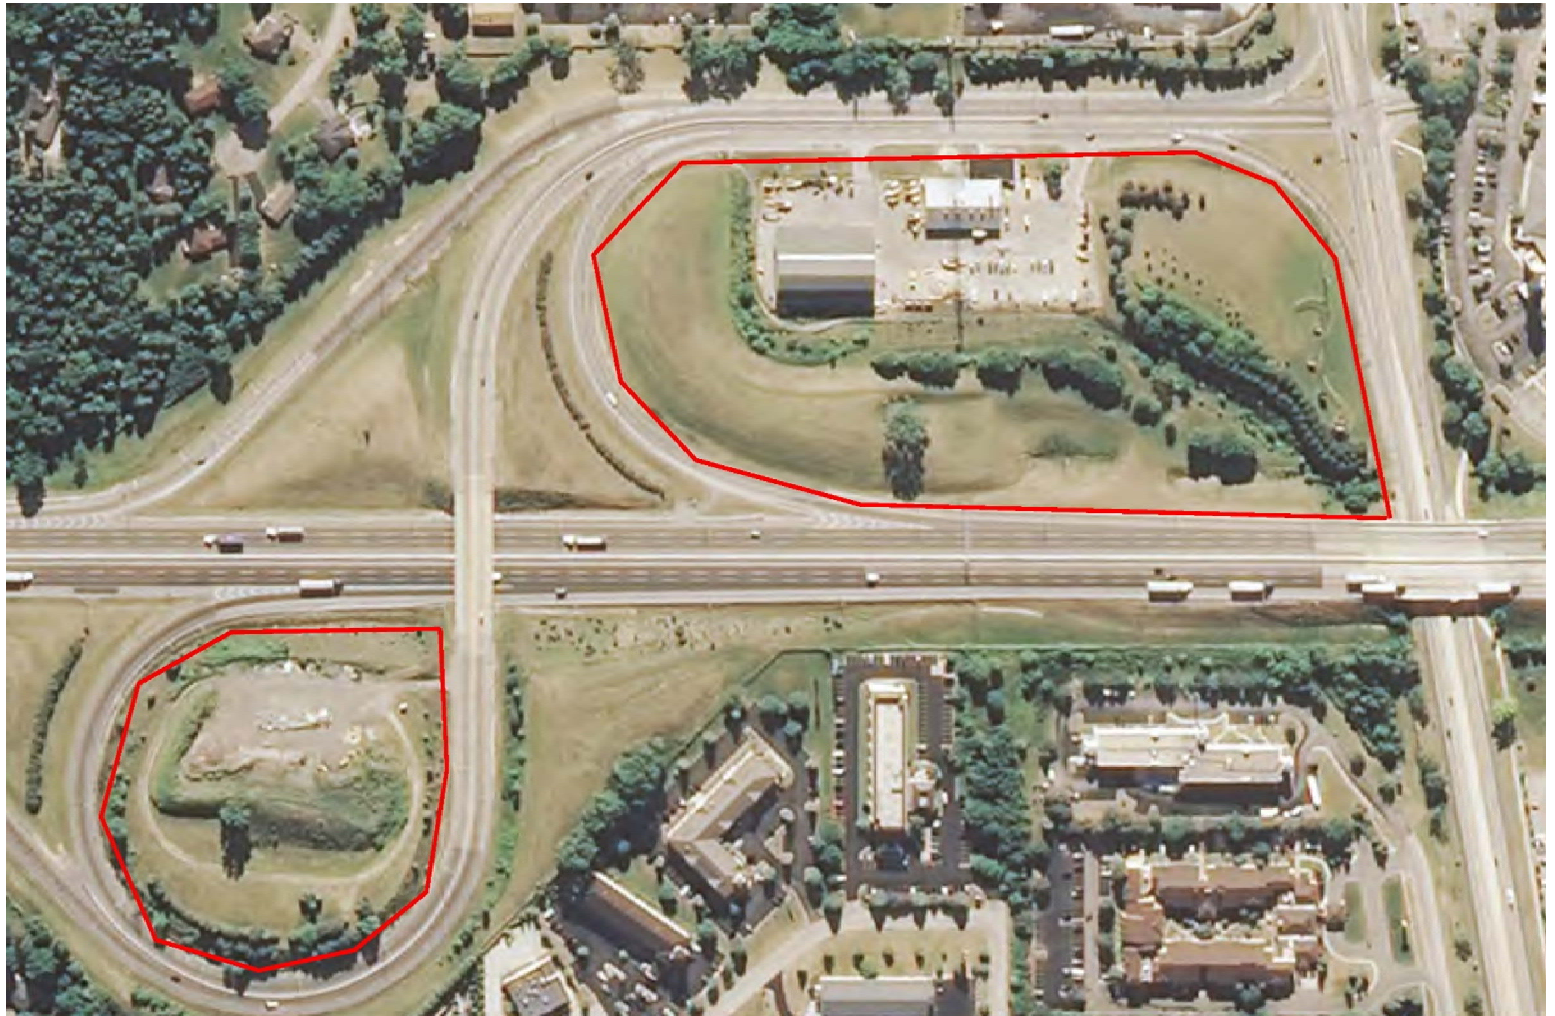

Presented June 28, 2016

Master Plan Schedule

Ongoing maintenance contracts will be available to keep facilities in good order until they are reconstructed

Existing Site

Project Scope

Tollway is seeking the following services

- Construction of a new single-story building that will serve as a fleet hub, vehicle parking, maintenance garage and Illinois State Police office
- Construction of an independent truck wash station and fuel island; removal and installation of underground fuel storage tanks
- Construction of an information technology equipment shelter and transfer of network services from existing building

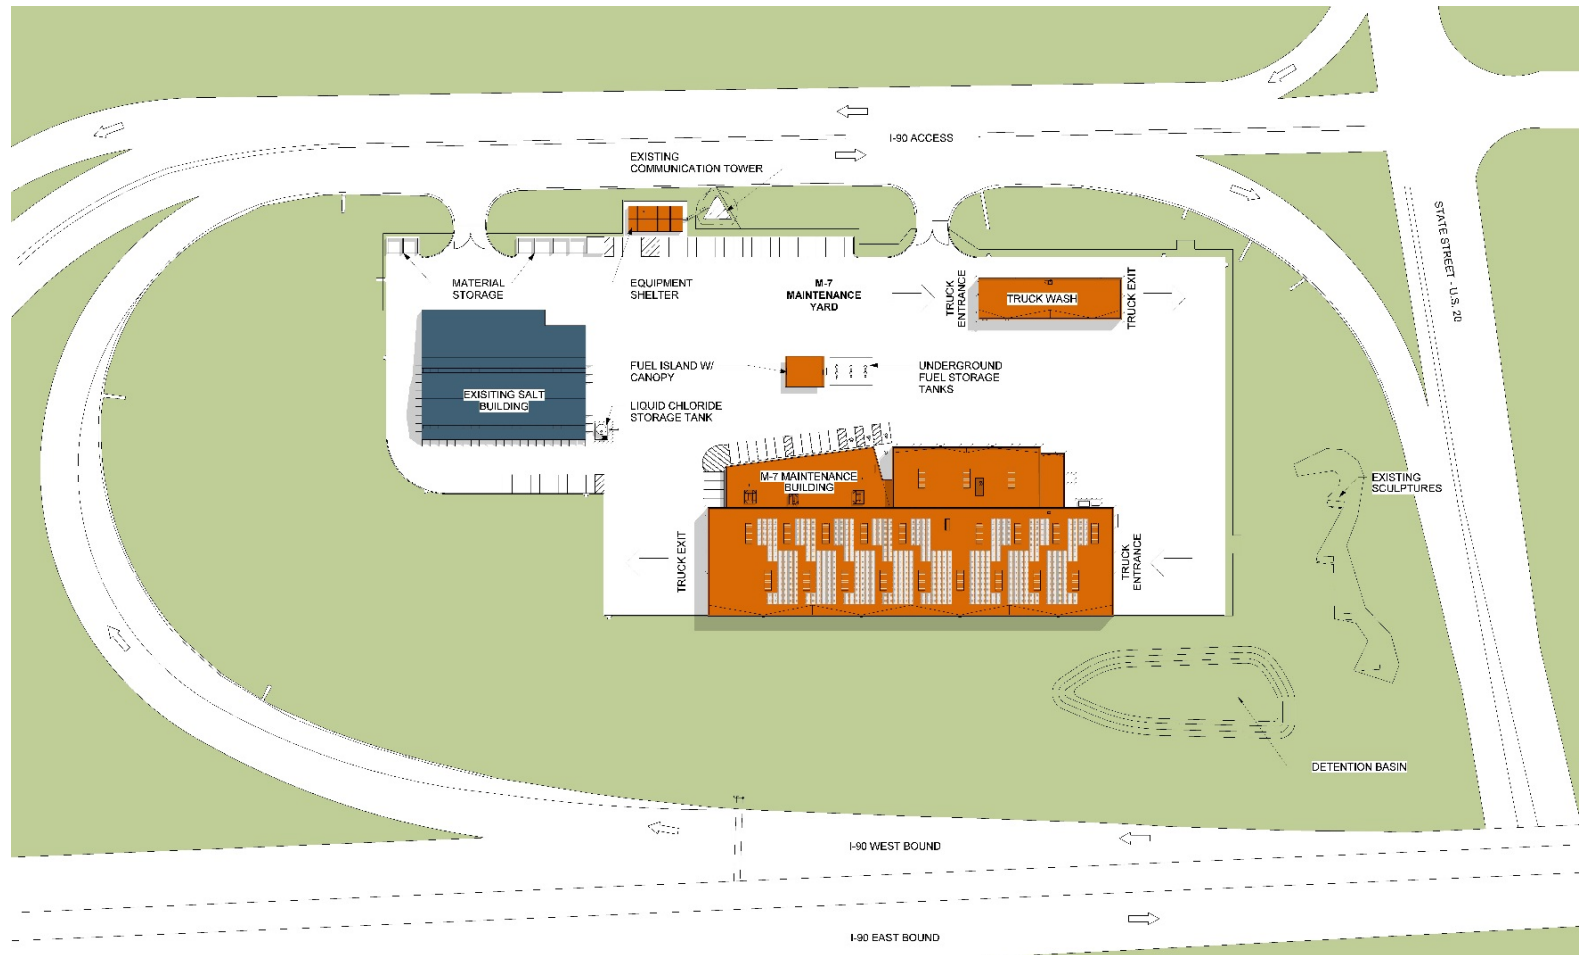

Achievement of LEED Silver Certification

Vertical construction contracts

- Smaller self-performance requirement
- Requires more subcontractors
- Opportunities for small and first-time Tollway subcontractors

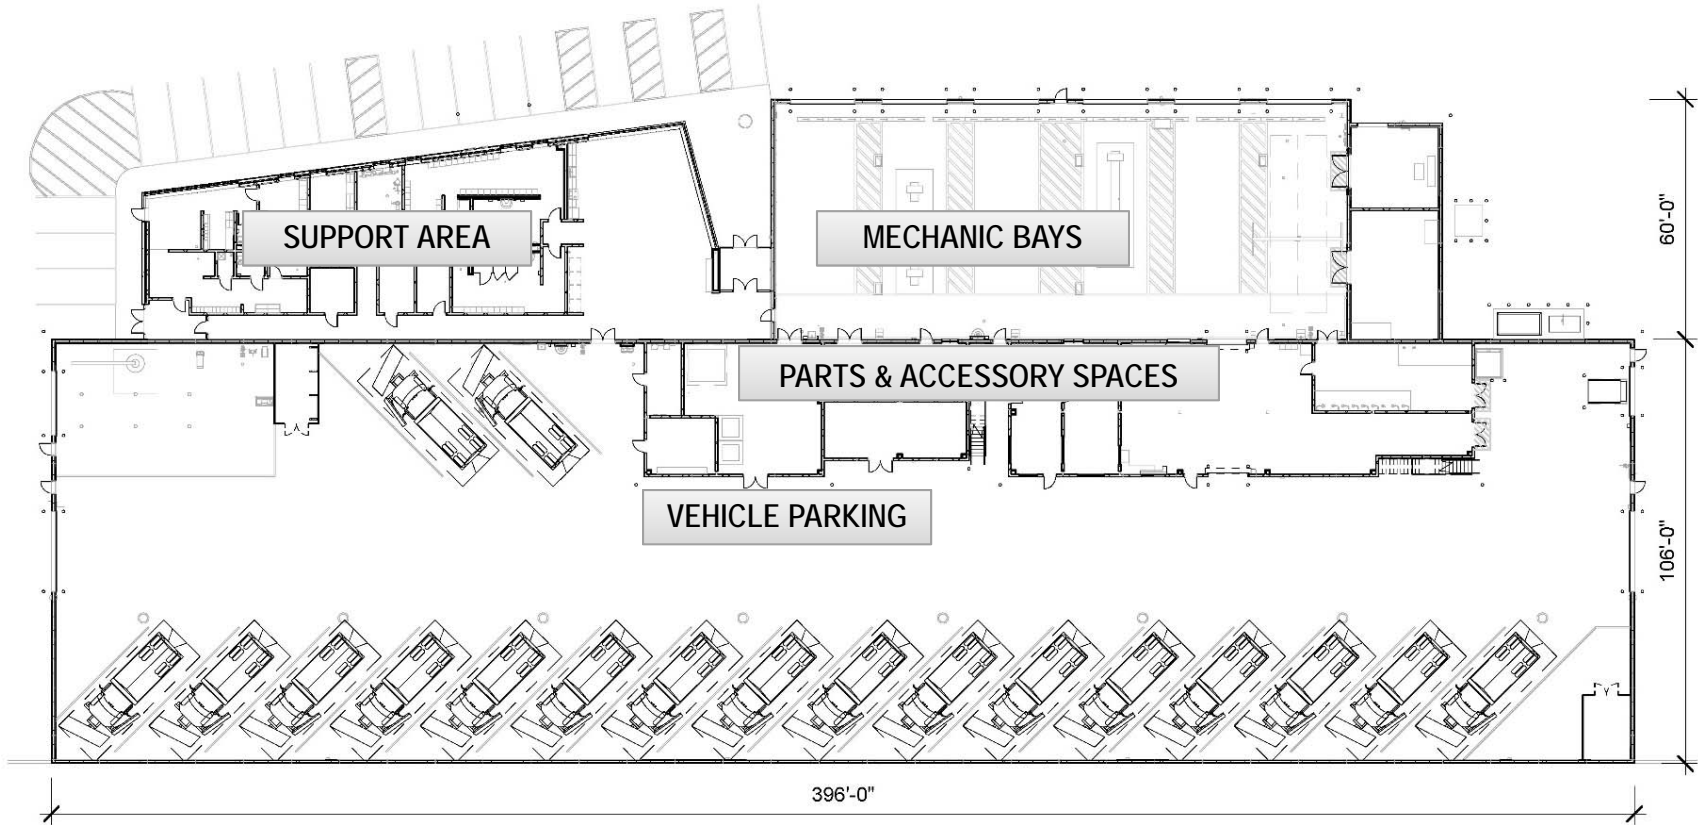

Site Plan
