The Illinois Tollway welcomes you to attend a design workshop for the Illinois Route 53/120 Blue Ribbon Advisory Council.

The workshop will feature nationally recognized experts in the areas of transportation/tolling, land use and environmental issues. These experts and others will speak to the specific challenges and opportunities in the corridor, and guide the Council through an interactive process to review and refine potential design scenarios.

The public is welcome to attend. **Please RSVP by January 27** to Michelle Graham at mgraham@getipass.com

Information about the Council can be found on the Community Outreach page under the Construction/Planning section of the Illinois Tollway's website.
